RE: Bond Cancellation Notice  
American PowerNetManagement, LP  
A-110173

Dear Sir/Madam:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of American PowerNetManagement, LP because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

**The enclosed financial instrument does not comply with the terms of the bond. A bond cannot be retroactively cancelled. The Commission must receive at least 60 days' advance notice of cancellation.**

Please file the corrected, originally signed and sealed security instrument with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive style with a large, looped 'M' and 'H'.

Matthew L. Homsher  
Secretary
