RE: Natural Gas Supplier License Application Response

To Whom It May Concern,

We respectfully submit this letter to explain the circumstances regarding the PECO service territory included within our application.

At this time, we have not yet received the required bonding letter from PECO despite ongoing follow-up efforts and communication regarding the request. Due to the timing requirements associated with the application process, and in order to avoid delays or deficiencies within the filing, we are submitting an updated Section 4.d, Proposed Service Area, excluding the PECO territory at this time.

We intend to continue coordinating with PECO regarding the bonding requirements and may seek to amend the application in the future should the required documentation become available.

Please do not hesitate to contact us should any additional information or clarification be required.

Docket Number: A-2026-3059961

Sincerely,

Feel free to reach out if there is anything else needed at this time by phone (254) 226-4904 or email savanna@radiateenergy.com

Sincerely,

Savanna Masoud
