**MOTION OF TLG COMMODITIES, LLC**  
**FOR PROTECTIVE ORDER**

In accordance with 52 Pa. Code §5.365(b), TLG Commodities LLC ("TLG") hereby files this Motion for a Protective Order Governing Production of Confidential Material in the above non-adversarial proceeding. In support of this Motion, TLG states the following:

1. With its Application for Electric Generation Supplier ("EGS") License, TLG is filing with the Pennsylvania Public Utilities Commission ("Commission") certain non-public, proprietary or highly proprietary information and documents that contain sensitive information, including but not limited to information that is either specified as confidential or highly confidential by its terms or pertains to business practices, operations, financial matters, trade secrets, or future business plans that are commercially sensitive or that are ordinarily considered and treated as confidential by the producing party.
2. TLG would be substantially harmed if this information were filed and/or provided to the Commission or the Commission's staff without restriction, because it could then potentially become public information available for review by actual or potential competitors of the parties. For example, if the material is not kept in a proprietary folder in the Secretary's office and, instead made public, then competitors of TLG could obtain copies of the information to the detriment of TLG's business operations. Also, information not marked proprietary by the Commission or its staff could be publicly released in orders or other official documents available on the Commission's website. Given the highly sensitive nature of certain information, TLG seeks to prevent such public disclosure.

3. TLG requests that the information filed with the Application marked as CONFIDENTIAL, and any future proprietary information shared between TLG and the Commission and/or its staff is given protective treatment through a Protective Order, attached to this Motion as Exhibit A, to govern the treatment of such proprietary materials. The Protective Order would protect all proprietary materials from disclosure to the public.
4. The text of the Protective Order is substantially similar to other Protective Orders routinely issued by the Commission. *See* Docket A-2020-3020377, Application of Suvon LLC d/b/a FirstEnergy Advisors, Protective Order entered Oct. 16, 2020.
5. Pursuant to 52 Pa. Code §5.365(b), the Commission shall not disclose material that is the subject of a Petition for Protective Order under this provision during the pendency of a request. TLG requests that all confidential or highly confidential information submitted in this case prior to this Petition, and at the same time as this Petition, be treated as confidential and not be disclosed.

Respectfully Submitted,

Michael P. Pest

All persons now and hereafter granted access to the materials and information identified in Paragraph 2 of this Protective Order shall use and disclose such information only in accordance with this Order.
2. The materials subject to this Order are all written, recorded or graphic material, whether produced or created by a party or another person or entity, including but not limited to, correspondence, documents, data, information, studies, methodologies and other materials which a party or an affiliate of a party furnishes in this proceeding pursuant to Commission rules and regulations, discovery procedures or cross-examination or provides as a courtesy to Commission staff which are claimed to be of a proprietary or confidential nature and which are designated "CONFIDENTIAL" (hereinafter collectively referred to as "Confidential Information").

4. Proprietary Information and Highly Confidential Information shall be made available to the Commission and its staff or use in this proceeding. For purposes of filing, to the extent that Proprietary Information and Highly Confidential Information is placed in the Commission's report folders, such information shall be handled in accordance with routine Commission procedures inasmuch as the report folders are not subject to public disclosure. To the extent that Proprietary Information or Highly Confidential Information is placed in the Commission's testimony or document folders, such information shall be separately bound, conspicuously marked and sealed, and accompanied by a copy of this Order. Public inspection of Proprietary Information and Highly Confidential Information shall be permitted only in accordance with this Protective Order.
5. A producing party shall designate data or documents as constituting or containing Proprietary Information or Highly Confidential Information by affixing an appropriate

Where only part of data compilations or multi-page documents constitutes or contains Proprietary Information or Highly Confidential Information, the producing party insofar as reasonably practicable, shall designate only the specific data or pages of documents which constitute or contain Proprietary Information or Highly Confidential Information.

6. Any federal agency which has access to and/or receives copies of the Proprietary Information or Highly Confidential Information will consider and treat the Proprietary Information or Highly Confidential Information as within the exemption from disclosure provided in the Freedom of Information Act as set forth at 5 U.S.C.A. §552(b)(4) until such time as the information is found to be nonproprietary.
7. Any state agency which has access to and/or receives copies of the Proprietary Information or Highly Confidential Information will consider and treat the Proprietary Information or Highly Confidential Information as within the exemption from disclosure provided in the Pennsylvania Right-to-Know Act as set forth at 65 P.S. §66.1(2) until such time as the information is found to be non-proprietary.
8. Any public reference to Proprietary Information or Highly Confidential Information by counsel or persons afforded access thereto shall be to the title or exhibit reference in sufficient detail to permit persons with access to the Proprietary Information or Highly Confidential Information to fully understand the reference and not more. The Proprietary Information or Highly Confidential Information shall remain a part of the record, to the extent admitted, for all purposes of administrative or judicial review.
9. Parts of any record in this proceeding containing Proprietary Information or Highly Confidential Information, including but not limited to all exhibits, writings, testimony, cross-examination argument and responses to discovery, and including reference thereto as mentioned in number Paragraph 8 above, shall be sealed for all purposes, including administrative and judicial review, unless such Proprietary Information or Highly Confidential Information is released from the restrictions of this Order, either through the agreement of the parties or pursuant to order of the Commission.
10. The parties affected by the terms of this Order may refuse or object to the production of Proprietary Information or Highly Confidential Information on any proper ground, including but not limited to irrelevance, immateriality or undue burden; and may seek additional measures of protection of Proprietary Information or Highly Confidential Information beyond those provided in this Order.
11.
