Re: Statement of Compliance Regarding Docket No. M-2026-3061024

Dear Secretary Homsher,

I am writing to challenge the tentative order regarding Docket No. A-2011-2257077. After reviewing the applicable requirements and my obligations under this docket, I believe that I am in full compliance with all reporting responsibilities associated with this matter. I am including a previous letter written to your office this month along with an email received from the online submission form outlining what my next steps are to be. I am as well including supporting documentation showing the submissions for the last three years.

I am the sole proprietor of a dump truck (one straight truck only – triaxle) business in New York State. I mostly travel in NY but occasionally work brings me to Pennsylvania. Only very rarely do I haul anything from within PA TO within PA, and I keep track of it every month. In recent years, the only thing I have done within PA would be very rarely hauling to townships directly to the road being worked on and spreading gravel to fix the existing roads. Perhaps I DO NOT NEED a certificate of public convenience? Do I misunderstand? Am I doing something wrong?

Thank you for your time!

Good afternoon,

Thank you for reaching out to the PA Public Utility Commission. A certificated common carrier must file a report by March 31st of each year that details its total gross intrastate operating revenue for the preceding calendar for assessment purposes. 66 Pa.C.S. § 510(b)(relating to assessment for regulatory expenses upon public utilities).

If you received a notice from the Commission regarding the Tentative Order at Docket No. **M-2026-3061024** that states the Commission has reached a **tentative** determination to cancel your company's Certificate of Public Convenience (CPC) because the company has failed to file an annual assessment report for two consecutive years, you have 3 options to move forward:

1. Seek cancellation. If your company no longer requires a CPC due to a change in its operations or business plans, *i.e.*, providing non-certificated motor carrier service as set forth in 66 Pa.C.S. § 102 (relating to definitions), we kindly ask that you please request cancellation of your company's authority. Cancellation forms are available on our website at [Motor Carrier Forms | PA PUC](#). -OR- Our Technical Utility Services Motor Carrier section can assist you with this process.
2. Submit an Assessment Report. If your company seeks to comply with the Commission's annual assessment reporting requirement for calendar year 2024 gross intrastate operating revenues, please submit an annual assessment report showing positive intrastate operating revenue to pucassessments@pa.gov within xx days. To request a copy of your assessment report, please send an email to pucassessments@pa.gov. Include your utility name and utility code in the email.
3. Challenge the Tentative Order. If you choose to challenge the Commission's Tentative Order, you may file a written comment at Docket No. **M-2026-3061024** with the Commission within xx days that authenticates the submission of a timely assessment report to the Commission for either calendar year 2023 or calendar 2024 (or both). Please also include your company's A-Docket or utility code within the written comment. The written comment must be addressed in the following manner:

Matthew L. Hornsher, Secretary

Pennsylvania Public Utility Commission

Commonwealth Keystone Building

400 North Street Harrisburg, PA 17120.

Please note that telephone calls or emails to Commission Staff are not an acceptable way to dispute the Commission's tentative determination about cancellation of your company's CPC. Again, refer to Ordering Paragraph #4.

I can't reach anyone on phone to discuss a letter I received accusing me of being out of compliance. The phone tree hangs up or puts me on what seems to be endless hold. Do you have a phone number I can contact? In regards to Docket M-2026-3061024

Re: Statement of Compliance Regarding Docket No. M-2026-3061024, A-2011-2257077

Dear Secretary Homsher,

I am writing to provide a formal comment regarding Docket No. A-2011-2257077. After reviewing the applicable requirements and my obligations under this docket, I believe that I am in full compliance with all reporting responsibilities associated with this matter.

I am the sole proprietor of a dump truck (one straight truck only – triaxle) business in New York State. I mostly travel in NY but occasionally work brings me to Pennsylvania. In recent years, the only thing I have done within PA would be very rarely hauling to townships directly to the road being worked on and spreading gravel to fix the existing roads.

If the Commission determines that any additional information, clarification, or documentation is required to confirm compliance, I am prepared to provide it promptly upon request. I believe I file each time required, and lately, this has been electronically, as directed.

Thank you for your attention to this filing. I appreciate the Commission's work in ensuring transparency and regulatory consistency, and I remain committed to meeting all obligations under the docket.

Respectfully,

Adam J Scott
