Re: Challenge to Cancellation of Certificate

Docket No. M-2026-3061024

A-2021-3026824

To Whom it may concern,

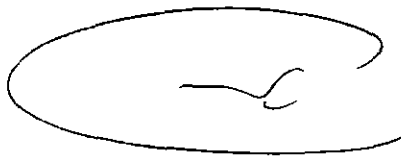

We are kindly requesting to challenge the tentative order to cancel our certificate of common carrier due to no report of revenue.

We are not reporting any revenue in Pennsylvania because we conduct our business as an interstate carrier which also has licensing in New York where most of our clients are located. We are trying to market to do business in Pennsylvania and are hoping that this year we will have income to report.

Sincerely,

Avi Turgeman

President
