PETITION FOR FURTHER EXTENSION OF TIME

CSX Transportation, Inc. (“CSX”), by and through its attorneys, Cohen, Seglias, Pallas, Greenhall & Furman, PC files this Petition for Further Extension of Time to perform the work in the above-referenced proceeding, as ordered in the Secretarial Letter, issued on June 15, 2023, pursuant to 52 Pa. Code §1.15(a)(1), based upon the following:

1. Ordering Paragraphs 4 through 7 of the aforementioned Secretarial Letter, ordered CSX, at its sole cost, to do all work necessary to abolish the crossings at Griscom Street and Strickler Street, by amongst other things, removing the crossing surfaces between the tracks and restoring the curbing along the edge of SR 0819. All construction was ordered to be completed within six (6) months from the issuance of the Secretarial Letter, which was dated June 15, 2023.

3. CSX requested and was granted an extension of time in the Secretarial Letter issued May 21, 2024. Pursuant to the aforementioned Secretarial Letter, all work at the subject crossings was to be completed by December 31, 2024.

4. Work is close to being completed; however, CSX has encountered an unexpected delay related to the installation of curbing required by the Secretarial Letter. CSX does not have in-house capabilities to construct the curbing and has experienced difficulty securing a contractor willing to mobilize for such a limited scope of work. CSX has contacted a contractor who will be

in the area this summer for a separate PennDOT project and is currently awaiting pricing and coordination to have the work completed at the same time that a nearby project is in progress.

5. CSX therefore requests that the Commission grant an extension of time to June 30, 2027 for the completion of the work.

6. CSX respectfully requests that Ordering Paragraph 11 of the Secretarial Letter issued on June 15, 2023, and modified on May 21, 2024, be modified as follows:

All work necessary to complete the work at the subject public crossings shall be done in a manner satisfactory to this Commission by June 30, 2027, and that on or before said date, CSX Transportation, Inc. and the Borough of Dawson shall notify the Commission, in writing, the date the work is completed.

WHEREFORE, CSX Transportation Inc., respectfully requests that it be granted an extension of time until June 30, 2027 to complete the work needed to alter the crossings as ordered.

Respectfully Submitted,

**COHEN SEGLIAS PALLAS
GREENHALL & FURMAN PC**
