PROCEDURAL ORDER

On March 3, 2026, NextEra Energy Transmission MidAtlantic, Inc. (NEET MA or Applicant) filed an application pursuant to Chapter 57, Subchapter G of the Commission’s regulations (Siting Application).¹ 52 Pa. Code §§57.71-57.77. The Siting Application requests that the Commission approve the siting and construction of a new 500 kilovolt (kV) transmission line associated with the MidAtlantic Resiliency Link Project (MARL Project) in Dunkard Township in Greene County, and Springhill Township in Fayette County, Pennsylvania.

The MARL Project involves the construction of a new approximately 107.5-mile 500-kV transmission line across Maryland, Pennsylvania, West Virginia, and Virginia, as well as a new Woodside 500/138 kV Substation in Virginia. The Pennsylvania portion of the MARL Project will extend from the existing FirstEnergy Corporation 502 Junction Substation in Greene

¹ The Siting Application was assigned PUC docket number A-2026-3060856.

County, Pennsylvania for approximately 2.7 miles to the West Virginia border, extend through West Virginia for 3.1 miles, and then re-enter Pennsylvania in Greene County, and traverse through Greene and Fayette Counties for 8.0 miles, and then proceed back into West Virginia (the Pennsylvania Portions). NEET MA seeks approval of the siting and construction of the approximately 10.7 miles long Pennsylvania Portions of the MARL Project.

On March 10, 2026, notice was issued that an initial telephonic prehearing conference for the Siting Application would be held on May 6, 2026, with Administrative Law Judge John M. Coogan presiding. On the same date, ALJ Coogan issued a prehearing conference order. On March 21, 2026, notice of the Siting Applications and prehearing conference appeared in the Pennsylvania Bulletin.² The prehearing conference order and Pennsylvania Bulletin notice advised that protests and petitions to intervene must be filed on or before May 1, 2026.

On April 20, 2026, NEET MA filed affidavits stating that notice of the Siting Application, including the protest and petition to intervene deadline and prehearing conference participation information, was published in the Herald Standard on March 20, 2026 and March 27, 2026. On April 30, 2026, NEET MA filed affidavits stating that notice of the Siting Application, including the protest and petition to intervene deadline and prehearing conference participation information, was published in the Observer Reporter on March 17, 2026 and March 24, 2026.

Also on March 3, 2026, NEET MA filed a separate application under Sections 1102 and 1103 of the Public Utility Code, 66 Pa.C.S. §§ 1102, 1103, requesting Commission approval of the necessary authority, approvals, and certificates of public convenience for NEET MA to become a public utility that can furnish and supply electric transmission service for the portions of the MARL Project in Pennsylvania (CPC Application).³ The CPC Application

² 56 Pa.B. 1659.

³ The CPC Application and affiliated interest agreements were assigned PUC docket numbers A-2026-3060921, G-2026-3060941, and G-2026-3060942.

includes requests for approval, pursuant to 66 Pa.C.S. § 2101, of certain NEET MA affiliated interest agreements related to the MARL Project.

On March 21, 2026, notice of the CPC Application appeared in the Pennsylvania Bulletin.⁴ On March 26, 2026, notice was issued that an initial telephonic prehearing conference for the CPC Application would be held jointly with the prehearing conference for the Siting Application due to the anticipated overlapping of issues and parties, with the potential for formal consolidation of the proceedings to be discussed at the prehearing conference. On March 27, 2026, ALJ Coogan issued a prehearing conference order for the CPC Application proceeding. The prehearing conference order and Pennsylvania Bulletin notice advised that protests and petitions to intervene must be filed on or before May 1, 2026.

On April 20, 2026, NEET MA filed affidavits stating that notice of the CPC Application, including the protest and petition to intervene deadline, was published in the Herald Standard on March 11, 2026 and March 25, 2026. On April 30, 2026, NEET MA filed affidavits stating that notice of the applications, including the protest and petition to intervene deadline, was published in the Observer Reporter on March 12, 2026 and March 26, 2026.

On April 30, 2026, notices were issued to add ALJ Erin L. Gannon as a presiding officer in both application proceedings.

On May 4, 2026, a Corrected Petition for Interlocutory Review and Answer to Material Questions of the Office of Consumer Advocate was filed (OCA Petition).⁵

The prehearing conference convened as scheduled on May 6, 2026. The following parties were present during the prehearing conference: NextEra Energy Transmission MidAtlantic, Inc; the Office of Consumer Advocate; Center for Coalfield Justice; James E. Rockis, Quarter Pine Tree Farm Christmas Shoppe, LLC and J.E. Rockis Rental & Supply, Inc.;

⁴ 56 Pa.B. 1660.

⁵ The OCA asked that its original petition for interlocutory review, filed on May 1, 2026, be rejected.

Charity Grimm Krupa; Linda-Maust Jacobs; and Elizabeth Arthur. All parties, except for Elizabeth Arthur, indicated they would like to participate in this proceeding as active parties. James Stickles and representatives from Ponderosa Properties were also present during the conference.⁶ During the conference, various procedural matters were discussed. This Procedural Order sets forth in the ordering paragraphs those procedural matters addressed during the prehearing conference, as well as further directions to the parties for participation in this proceeding.

On May 7, 2026, the OCA filed a letter asking the Commission to treat the OCA Petition as inclusive of its brief in support of its petition. On May 11, 2026, NEET MA filed a brief in opposition to the OCA Petition. On May 14, 2026, the Center for Coalfield Justice filed an answer and brief in response to the OCA Petition. Also on May 14, 2026, Charity Grimm Krupa filed both a response to the OCA Petition and a Petition of Proposed Intervenor Charity Grimm Krupa for Stay of Proceedings Pending Final Resolution of Transource Litigation and Resolution of All Petitions to Intervene.

Protests, Petitions to Intervene, and Party Status

The following protests and petitions to intervene have been filed in the application proceedings.⁷

Parties are directed to ordering paragraphs 7 through 10 below regarding choosing to participate in this proceeding as either an active or inactive party. Active parties take a more formal role in this proceeding, such as filing written testimony according to a set schedule, cross-examining witnesses at the formal hearings, and filing briefs.

Parties who choose **not** to be an active party can still participate by testifying at public input hearings. Your testimony will be considered by us the same as written testimony would be. If you choose not to be an active party, you will be put on a limited service list, which means active parties are not required to serve their documents, which can be voluminous, on inactive parties. This includes documents that are exchanged during discovery, and copies of the hearing exhibits and the parties’ briefs. Instead, you will only receive our written orders, notices of hearings and copies of any decisions and Commission orders.

For any protestants or intervenors who choose to take an active role in this proceeding, they must adhere to the Commission’s regulations regarding all filings and testimony, including, but not limited to, 52 Pa. Code § 5.412 regarding the use of written testimony in Commission proceedings. Active parties will not be able to testify during any public input hearings held in this matter. Any protestants or intervenors taking an active role in this proceeding are expected to adhere to all applicable Commission regulations and the Public Utility Code at all times.

Second Prehearing Conference

As was discussed during the first prehearing conference, given the pending OCA Petition, protests, and petitions to intervene, a second prehearing conference is tentatively scheduled to be held in July 2026 by telephone, where details regarding a procedural schedule,

public input hearings, and site visits will likely be discussed. A written order and notice will be sent to all parties (active and inactive), with further information, including the date and time for the second prehearing conference, and instructions for how interested parties can dial in.

ORDER

THEREFORE,

IT IS ORDERED:

1. That Docket Nos. A-2026-3060856, A-2026-3060921, G-2026-3060941, G-2026-3060942 are consolidated for purposes of further proceedings before the Commission.

2. That the active parties of record in this proceeding as of this date are NextEra Energy Transmission MidAtlantic, Inc.; the Office of Consumer Advocate; Center for Coalfield Justice; James E. Rockis, Quarter Pine Tree Farm Christmas Shoppe, LLC and J.E. Rockis Rental & Supply, Inc.; Charity Grimm Krupa; and Linda-Maust Jacobs.

3. That Ponderosa Properties and James Stickle shall file a protest and/or petition to intervene to confirm participation in this proceeding. If a protest and/or petition to intervene is not received, you will be removed from future service lists in this proceeding.

4. That, if you are an individual, you may represent yourself or you may have an attorney representing you. All others, including a partnership, corporation, limited liability company, trust, association, or governmental agency or subdivision, must be represented by an attorney licensed to practice law in Pennsylvania, or admitted *pro hac vice*. 52 Pa. Code §§ 1.21, 1.22. And, unless you are an attorney, you may not represent someone else.

5. That June 12, 2026 is the due date for filing pleadings in response to protests and petitions to intervene filed with the Commission by May 29, 2026.

6. That pleadings in response to protests and petitions to intervene filed with the Commission after May 29, 2026 shall be made in accordance with Commission regulations.

7. That active parties must comply with Commission procedural regulations at 52 Pa. Code Chapters 1, 3, and 5 to participate in this proceeding. Each active party must serve a copy of every document it files and/or serves in this case, including, but not limited to, motions, testimony, and briefs, on the presiding officers and on every other active party. Discovery requests and responses should not be served on the presiding officers or filed with the Commission except as required by Commission regulations.

8. That parties receiving this order who are not active parties will be treated as inactive parties. Likewise, new parties who subsequently file protests or petitions to intervene will be treated as inactive parties.

9. That inactive parties will only receive orders and decisions issued in this matter, and will not receive other documents filed and/or served in this proceeding. Inactive parties may still attend and testify at a public input hearing, but will not be allowed to conduct discovery, file motions, submit pre-served written testimony, cross-examine active party witnesses at the evidentiary hearing, file briefs, or otherwise fully participate in the proceeding.

10. That if an inactive party wants to change their status to an active party, they shall file a letter to the dockets for this proceeding stating their choice. Alternatively, an inactive party may contact the Office of Consumer Advocate for assistance in choosing active party status, and the Office of Consumer Advocate shall file a letter to the dockets for this proceeding stating which inactive parties have chosen active party status. Letters indicating election of active party status shall also be served on the undersigned and all other active parties to this proceeding. A party that elects to become an active party will be deemed to be an active party unless their status is modified by further order.

11. That the party list may be further modified pending disposition of pleadings regarding protests and petitions to intervene.

12. That service in this proceeding to the presiding officers and by, to, and between the active parties will be email only, with no follow-up hard copy.

13. That parties shall conduct discovery pursuant to 52 Pa. Code §§ 5.321-5.373 unless modified by further order. The parties are encouraged to cooperate and exchange information on an informal basis. The parties shall cooperate rather than engage in numerous or protracted discovery disagreements that require formal resolution. Parties represented by counsel are expected to provide *pro se* active parties a reasonable accommodation if *pro se* active parties seek a reasonable extension of time to perform any act required under discovery rules. Nonetheless, if necessary, motions to compel may be presented to the undersigned. All motions to compel shall contain a certification by counsel setting forth the informal discovery undertaken and their efforts to resolve their discovery disputes informally. If a motion to compel does not contain this certification, the parties will be directed to pursue informal discovery. There are limitations on discovery and sanctions for abuse of the discovery process. 52 Pa. Code §§ 5.361, 5.371-5.372.

14. That the parties shall stipulate to any matters they reasonably can to expedite this proceeding, lessen the burden of time and expenses in litigation on all parties and conserve administrative hearing resources. 52 Pa. Code §§ 5.232 and 5.234.

15. That the parties should do their best to avoid the use of **Confidential Security Information (CSI)**, as defined by 35 P.S. § 2141 et seq., in this proceeding. Where possible, the parties should develop alternative means of introducing information into the record, such as joint stipulations or redaction when proposing testimony or exhibits. If the parties cannot avoid the use of CSI, the parties are to contact the undersigned in advance of any submission, and prior to the evidentiary hearing.

16. That a second prehearing conference is tentatively scheduled to be held in July 2026. A prehearing conference order and prehearing conference notice will be issued detailing instructions for participation in the second prehearing conference, and the subject matters to be addressed at the second prehearing conference.

17. That any provision of this order may be modified upon motion and good cause shown by any party in interest in accordance with 52 Pa. Code §5.223(a).
