Response to Tentative Order Regarding Proposed Cancellation of Certificate of Public Convenience

Dear Secretary Homsher:

United Medical Transport LTD respectfully submits this response to the Tentative Order entered April 21, 2026, proposing cancellation of certain Certificates of Public Convenience for carriers listed in Appendix A.

United Medical Transport LTD contests cancellation of its Certificate of Public Convenience. The company requests that the Pennsylvania Public Utility Commission not cancel its authority and instead permit the company to cure any reporting or compliance deficiencies identified by the Commission.

To the extent the Commission's records reflect zero reported revenue for multiple years, United Medical Transport LTD respectfully requests the opportunity to update, correct, or supplement its filings and provide any required documentation showing its operating status, revenue reporting, insurance, vehicle registration, or other compliance materials required by the Commission.

United Medical Transport LTD does not consent to cancellation of its Certificate of Public Convenience and respectfully asks that the Commission maintain the company's certificate in active status while the company resolves any outstanding reporting issue.

Please advise of any additional forms, reports, assessments, penalties, or documentation required to bring the company into full compliance.

Respectfully submitted,

Eduard Davidyuk
