To whom it may concern in the PUC,

I am writing you in response to the letter that I have received about my authority possibly being revoked because of showing zero revenue for multiple consecutive years. My docket number is 706227

My excavation work has been very slow so far this year. I use my equipment move my own materials and equipment. This is the reason I never show anything. But now with a ever changing world I'm using my authority because I have that option. So now I've been hauling some blacktop and equipment locally for hire to make ends meet. So I need my authority and I will have income to report in this years report for next year. I have always retained my Federal Motor Carrier and Pennsylvania authority in case I needed it, so I always have options. I've been active in the motor carrier community for over 50 years. I have a clean motor carrier record. I'm just a single person, owner-operation trying to make a living.

Please consider letting me keep my PUC authority. I would greatly appreciate it.

Thank you,
Mark J. Wettstein
