Re: Cancellation Of Certificates Of Public Convenience For Common Carriers;
Failure To Report Positive Operating Revenue
Docket No. M-2026-3061024
A-8917042

Dear Sir,

Today I am writing in regards to April 21, 2026 tentative determination to cancel our companies Certificate of Public Convenience (CPC). For the past two years, we have had family health problems and a financial burden that deterred us from trucking for anyone but our selves. Our company had to focus on completing the legal obligations we were bound to. Since completing those obligations, we have been working towards restructuring and have hired one new driver at the end of December 2025. Since that hiring, our intrastate gross operating revenue to date is \$24,000.00. Without our CPC, we will not be able to operate continuously and will directly impact our company's ability to perform work. I am requesting for the Commission to consider our hardships and to reinstate our company's CPC.

Sincerely,
