**RE: Application of Premier Movers, LLC, 80 E. Lancaster Ave., Devon, Chester County, PA 19333.

To Whom It May Concern:

The purpose of this Letter is to advise you that your Application, Docket No. A-2026-3062522 has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience **WILL NOT BE GRANTED** for the following reason(s):

- **Propensity to operate illegally:**

On August 29, 2022, at Docket A-2022-3034006, an application for Household Goods in Use authority was dismissed due to failure to comply with a Commission request for additional information. The information requested was verification of the applicant's qualifying experience as related to 52 Pa. Code §3.381(c)(1)(iii)(A)(II)(-1-).

Later, in a letter dated December 7, 2022, at Docket A-2022-3036979, the applicant was denied authority due to its propensity to operate illegally (as thoroughly described and outlined in the original denial). Upon Petition for Reconsideration of the denial, the applicant was denied relief due to its inability to submit a petition which complied with the Commission's timeliness requirement.

On January 26, 2023, at Docket A-2023-3037691, the applicant was afforded an opportunity to establish a certificated presence with the Commission by approving it to provide Property transportation; however, by July 13, 2023, the applicant found itself cancelled of authority and its vehicle registrations suspended for failure to comply with Commission regulations (M-2023-3040348).

Finally, on October 31, 2023, at Docket A-2023-3043747, the applicant was denied authority due to its documented propensity to operate illegally. Upon the applicant's petition for relief from staff action, the denial was affirmed. The applicant's previous history remains relevant, and we find that PREMIER has not satisfied the operational fitness requirement pursuant to 52 Pa. Code § 41.14(5).

For these reasons the application is DISMISSED and DENIED
