Re: Bonding Requirements

Dear Michael Stein:

PECO is aware that Evergreen Gas & Electric, LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application Evergreen Gas & Electric, LLC could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Evergreen Gas & Electric, LLC has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers; will not take title to any delivered natural gas; nor will accept any customer payments or deposits.

Therefore, PECO has determined at this time that Evergreen Gas & Electric, LLC does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by Evergreen Gas & Electric, LLC, or the creditworthiness requirement for PECO's exposure to Evergreen Gas & Electric, LLC changes in the future, PECO reserves the right to require Evergreen Gas & Electric, LLC to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Trevor Hope at Trevor.Hope@exeloncorp.com.

Respectfully submitted,

Suzette Adams
