PRINCE RIDE TRANSPORTATION LLC
Data Request

1. Before your application can be processed further, you are required to provide an acceptable description of the proposed service area. Your request should be limited to a scope which can be supported by your present resources and financial position. As your business grows, additional territories and rights may be applied for. Applicants who request service areas beyond the scope of their resources risk the outright denial of their application, or possible Commission dictated revisions to their original request.

Descriptions of territory which include language such as, “and surrounding counties” are insufficiently specific. Your proposed service area must be fully bound, and easily discernible. This may be achieved by the use of municipal boundaries, roads, railroads, or natural boundaries such as rivers and streams, etc.

YOU SHOULD ONLY SPECIFY AREAS FROM WHICH YOU WISH TO ORIGINATE SERVICE.

Example:

- a. Between points in Pennsylvania
 - b. between points in the counties of X, Y, and Z.
 - c. from points in the counties of X, Y, and Z, to points in Pennsylvania, and return.
 - d. from points in the counties of X, Y, and Z, to points in the counties of A, B, and C, and return
2. If it is your intention to originate service from a residential apartment in Mechanicsburg to two expansive and widely separated areas (with only two high mileage vehicles and an undisclosed number of drivers) please provide a detailed description of how you feel you have sufficient resources and oversight to provide safe, efficient, and reasonable transportation. Based upon the information contained in your initial submission it does not appear that you have the resources to support the territory you have requested. You should refer back to Question 1 (above) for guidance on possible revisions to your territory request.
 3. In response to Question #5: **when asked to provide a plan you are expected to provide a PLAN which is fully responsive to each portion of the question** *and* to ensure that the plan satisfies the requirements of 52 Pa Code. You may hire a third party to execute the actual check, but you, as the applicant, are expected to establish a

policy which complies with the governing laws and regulations. You are also expected to provide this Commission with written evidence of said plan/policies.

- a. In reference to Question #5
 - i. You are specifically advised to review the requirements of the following chapters of 52 Pa Code **and to submit EVIDENCE of compliant plan for drivers which completely addresses the following:**
 - § 29.503. Driver Age
 - § 29.504. Driver history (schedule and record retention)
 - § 29.505. Criminal history (schedule and record retention)

4. In response to Question #6 of the verified statements, you have failed to disclose the number of drivers you intend to utilize and the explanation as to why this compliment of drivers is adequate to provide the service you are requesting.
5. Your vehicle safety program is inadequate. **When asked to provide a plan you are expected to provide a PLAN which is fully responsive to each portion of the question and** to ensure that the plan satisfies the requirements. Can you provide a written copy of your cohesive safety plan?

Are you going to perform pre-trip and post-trip vehicle inspections? If so, please provide a copy of your inspection check list. If not, please provide a detailed explanation as to how you will ensure that vehicles are safe **PRIOR** to placing them into service for each trip.

6. Are the cited vehicles registered to PRINCE RIDE TRANSPORTATION LLC? PennDOT will require proper registration to issue the requisite commercial license plate.
7. Please provide information on your insurance policy or policy quotes. Include the provider's name, policy limits, and annual costs. Do/will you pay your premiums in monthly installments, or do/will you pay the entire premium in advance?
8. Please review the below criteria and submit a revised compliant Statement of Financial Position (**utilizing the previously provided form**) **and provide evidence to support the statement (required):**
 - a. The statement presented must be **DATED** and comprised of information **which is less than 6 months old.**
 - b. The submission **MUST** be comprised of information which is **accurate as of the date provided.**

- c. **The information is to be exact and should not include estimates or approximations when accurate numbers are available.** Property and vehicle valuations may be approximations; however, if the valuation is higher than typical Kelly Blue Book (or similar) valuations, you should provide an explanation as to why (e.g. vehicle with an installed wheelchair lift, etc). Bank accounts and loan balances should be exact amounts (rounded to the nearest dollar).
- d. **ALL relevant assets and debts** are to be included (**vehicle loan balances/vehicle asset value, lease expenses, etc.**).
- e. **The information provided is also to be strictly limited to assets and debts HELD BY THE APPLICANT (PRINCE RIDE TRANSPORTATION LLC). Any property and accounts listed MUST be registered or titled to the applicant. Bank accounts must be in the name of PRINCE RIDE TRANSPORTATION LLC. Vehicles must be registered to PRINCE RIDE TRANSPORTATION LLC. Property must be titled to PRINCE RIDE TRANSPORTATION LLC. Relevant Vehicle and facility leases should also be properly shown and allocated. If you have not fully funded and equipped the business, now is the time to do so (before re-submitting your updates). Applicants lacking suitable finances, resources, and equipment will be denied authority.

Finally, in order to fully assist the Commission in verifying your financial fitness, please provide supporting documentation for the statement of financial position (balance sheet). Acceptable means of support include current copies of bank statements (account numbers may be redacted), and/or notarized/official statements of account balances/ownership provided by bank officers (with current contact information). Also include any and all claimed vehicles or land/buildings must also include proof of ownership/registration - vehicle registrations, property titles, purchase agreements, leases, etc.

You are encouraged to enlist professional financial assistance if you experience difficulty in constructing your statement of financial position. Be advised that failing to provide an acceptable financial statement is sufficient grounds for the denial of your application, as is failure to provide the requested supporting documentation.
