**Re: Palmco Power PA, LLC d/b/a Indra Energy-License Number A-2009-210-8338  
Residential and Non-Residential Electric Choice Activity Reports-CY2025  
ENCLOSURE CONTAINS PROPRIETARY INFORMATION**

Dear Secretary,

In accordance with 52 Pa. Code § 54.203, enclosed for filing with the Commission are the following documents:

1. One redacted copy of the Electric Choice Activity Reports for calendar year 2025 (“Activity Reports”) of Palmco Power PA, LLC d/b/a Indra Energy (“Indra”); and
2. One unredacted copy of a confidential version of Indra’s Activity Reports.

Pursuant to 52 Pa. Code §§ 5.365(b) and 54.203(3)-(4), Indra hereby respectfully requests confidential treatment and exception from public disclosure for the enclosed Activity Reports. Specifically, Indra requests that the total number of customer accounts, and number of customer accounts of residential and nonresidential customer accounts reported in the Activity Reports be granted confidential treatment.

Indra requests confidential status of its Activity Reports because its release would unduly harm to Indra’s business and competitive interests. The Activity Reports sets out commercially sensitive proprietary information which, if disclosed, would enable competitors to obtain valuable competitive information concerning Indra’s corporate strategies, give an unfair advantage to Indra’s competitors, and cause economic injury to Indra. The data contained in the Activity Reports is treated confidentially by Indra and is not available to the general public.

For the reasons stated above, Indra respectfully requests that it’s Retail Sales Information be deemed to be confidential material exempt from public disclosure under 52 Pa. Code §§ 5.365(b) and 54.39(d).

Respectfully submitted,

By:   
Robert Palmese, Chief Executive Officer
