Docket- A-2013-2368366

Utility Code- 8915807

Mr. Homsher,

This letter is in response to the letter we received in the mail stating "Cancellation of Certificates of Public Convenience for Common Carriers; Failure to Report Positive Operating Revenue" item #4.

We believe that we have filed the Assessment Report- Motor Carriers properly the last two years as all of our PA Intrastate Operating Revenue falls under exempt revenue #4 Waste, Excavated and Road Construction Materials. Since all of our revenue falls under exempt revenue, your office has recommended that we move forward with cancelling our Certificate of Public Convenience with the PA PUC.

We have attached the "Application for Approval of Abandonment or Discontinuance of Service, in Whole or In Part." Please email or call my information listed above to confirm that we are able to move forward with cancelling our Certificate of Public Convenience with the PA PUC. Hopefully this will remove us from the letter that we received in the mail and will not have an impact on our vehicle registration.

Please call me at 717-554-8300 or email at wardexcavatingllc@gmail.com to respond to this letter- I would appreciate a response and details on how to move forward.

Thank you,

Larry Ward
