RE: Docket No. M-2026-3061024 Cancellation of Certificates of Public Convenience For
Common Carriers

In response to Docket No. M-2026-3061024 the Tentative Cancellation of Certificates of Public Convenience for Common Carriers, Horst Excavating is requesting to remain as an active carrier. Horst Excavating operates a lowboy to transport their own personal property, however, at any point they can be asked to transport on behalf of a customer. Therefore, Horst Excavating is requesting to remain as an active carrier so they can be prepared to carry out any requests that are made.

With this comment, we contest the cancellation of Certificates of Public Convenience For Common Carriers. If you have any further requirements, please contact me at the information below.

Sincerely,

Julie A. Horn
