Utility Code: 8918016

Mr. Homsher,

We have received the tentative order that our CPC is being cancelled because we have been inactive for the past few years. That is true, we didn't have the available Drivers to keep up with our own workflow and even had to hire trucks from outside sources, however that has changed and we have started hiring out our truck again this year. Because of this we would like not to have our certificate canceled.

Thank you for your time.
