Upon notification, the Commission will send a letter approving the change once the Applicant has complied with submitting new insurance and tariff filings with effective date of the change of name. When compliance has been met, the Commission will issue a letter of approval which will advise the carrier that to obtain a new Certificate of Public Convenience, the old Certificate must be returned to the Secretary of the Commission showing the change of name has been made official.

CHANGE OF MOTOR CARRIER'S ENTITY

NOTE: A change in the "entity" of a motor carrier, accompanied by a change of ownership or control of the company through a transfer, merger or addition/deletion of a partner - requires the filing of an application for new authority. If the Commission approves the application, a new certificate or permit will be issued under a new docket number, upon receipt of insurance and tariff filings reflecting the change in the entity of the motor carrier.
