RCUD PUC SEC BUR
MAY 21 2026 AM 10:41

Dear Mr. Matthew Homsher;

I am writing in response to the commission's tentative order to cancel our Certificate of Public Convenience for Common Carriers, Docket No. M-2026-3061024.

Rob's Rentals & Excavating LLC, PUC Certificate #8918806/Docket #A-2016-2547164, has not reported intrastate revenue for the past two reporting periods. Based on reporting requirements for filing 2025 revenue requirements, our Certificate of Public Convenience for Common Carriers, PUC Certificate No. A-8918806/Docket No. A-2016-2547164, should not be canceled.

Rob's Rentals & Excavating LLC, has reported zero intrastate revenue because I am an independent contractor transporting excavated material and road construction materials in a dump truck and my own property as defined by item #4, "Waste, Excavated, and Road Construction Materials" and #5, "Transportation of Your Own Property" on the Exempt Revenue page 2 of filing 2025 revenue instructions.

Rob's Rentals & Excavating LLC intends to resume intrastate operations. All filings have otherwise been maintained as required. I trust that I will be notified before any further action is taken and that I will be contacted if additional information is needed. I appreciate your prompt attention to this matter.

Rob's Rentals & Excavating LLC

Reuben King

EXEMPT REVENUE

The following is a description of Exempt Revenue you may deduct on Line 2, as provided by 66 Pa.C.S. §102:

1. **LEASE REVENUE** – You may deduct lease revenue. Lease revenue is revenue a certificated carrier (lessor) receives when it leases its equipment to another certificated carrier (lessee). The lessor carrier cannot retain any responsibility for the maintenance, supervision or control of the vehicle. The leasing arrangement must be in compliance with the Commission's leasing regulations, which are found at 52 Pa. Code sections 29.101 (passenger carrier leasing) and 31.32 (property and household carrier leasing). The lessor must include in its assessment report the name(s) of the carrier(s) and the certificate of public convenience number to which it leases its equipment and the amount of revenue received from the carrier. Lessees cannot use rental/lease fees paid to the lessor to offset operating revenue and must report, for assessment purposes, all revenues earned under their certificate of public convenience.
2. **TRANSPORTATION OF K-12 SCHOOL CHILDREN** – You may deduct revenue you received from a kindergarten through 12th grade public, private or parochial school for the transportation of school children for school purposes or school sponsored extra-curricular activities, under a bona fide transportation contract with a public, private, or parochial school.
3. **TRANSPORTATION OF AGRICULTURE PRODUCTS** – Farm owners and operators may deduct revenue from transporting their own agricultural products from, or farm supplies to, their farm. In addition, independent contractors, or cooperative agricultural associations, transporting agricultural products or farm supplies exclusively for one or more farm owner(s) or operator(s), may deduct that revenue.
4. **WASTE, EXCAVATED, AND ROAD CONSTRUCTION MATERIALS** – You may deduct revenue you received from transporting ashes (including anti-skid, flue dust and fly ash), rubbish and waste for disposal. The PUC also allows the exemption/deduction of any revenue you received for transporting excavated materials in dump trucks. The purpose of the excavation is to create a hole or cavity. Removing material of value for use elsewhere is NOT exempt. The PUC also allows the exemption/deduction of any revenue you received for transporting road construction materials if a dump truck is used, and the materials hauled are used solely in a private or public road project including driveways (but NOT parking lots), and the materials are hauled directly to road construction sites or stockpiles. Carriers may **not** claim a revenue exemption for waste, excavated and road construction material when those materials were transported in five-axle tractor-trailers.
5. **TRANSPORTATION OF YOUR OWN PROPERTY** – You may deduct revenue you received from transporting your own property to yourself or to those that buy directly from you.
6. **VOTING MACHINES** – You may deduct revenue you received from transporting voting machines to and from polling places on behalf of any political subdivision of the Commonwealth for use in any primary, general, or special election.
7. **TRANSPORTATION OF WOOD PRODUCTS FROM WOODLOTS** – You may deduct revenue you received from transporting pulpwood, chemical wood, saw logs, wood chips, or veneer logs solely from woodlots. A woodlot is an area devoted to growing forest trees. Any revenue received from transportation performed from sources other than the woodlots is subject to assessment and may not be deducted.
8. **TRANSPORTATION OF WRECKED OR DISABLED VEHICLES** – You may deduct revenue you received from the transportation of wrecked or disabled motor vehicles from an accident, breakdown, or a place the vehicle was transported after the accident or breakdown, if it is subsequently transported for repair. Revenue from transportation of wrecked or disabled vehicles to or from auctions is NOT exempt.
9. **TRANSPORTATION OF STOLEN OR REPOSSESSED VEHICLES** – You may deduct revenue you received from the transportation of stolen or repossessed vehicles. Revenue from transportation of stolen or repossessed vehicles to or from auctions is NOT exempt.
10. **TRANSPORTATION OF INJURED, ILL OR DECEASED PERSONS** – You may deduct revenue you received from transporting an injured or ill person to a health care facility, when that transportation is performed in an ambulance or a medically equipped vehicle containing portable oxygen. A medical attendant must be in the vehicle in addition to the driver. A health care facility includes a hospital, clinic, dialysis center, nursing care institution, home health agency, infirmary, or behavioral service provider. A doctor's office is NOT a health care facility. In addition, you may deduct revenue you received from transporting deceased persons.
11. **TRANSPORTATION UNDER CONTRACT WITH MUNICIPAL CORPORATIONS** – You may deduct revenue you received from passenger transportation performed under contract with a municipal corporation, provided that: (1) the municipal corporation actively regulates your rates, routes and services; and (2) the transportation is limited to municipal residents. This deduction does not apply to contracts with state agencies.
