PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

Dear Mr. Homsher,

I am writing in response to the Commission's tentative order to cancel my Certificate of Public Convenience for Common Carriers, Docket #M-2026-3061024.

Vassor Transportation Inc, PUC Certificate #A-8924296/Docket #A-2021-3026863, has not reported intrastate revenue for the past two reporting periods. Based on reporting requirements for filing 2025 revenue requirements, my Certificate of Public Convenience for Common Carriers, PUC Certificate #A-8924296/Docket #A-2021-3026863, should **NOT** be canceled.

My company, Vassor Transportation Inc, has reported zero intrastate revenue because I am an Independent Contractor transporting excavated and road construction materials in a dump truck as defined by item #4, "Waste, Excavated, and Road Construction Materials" on the Exempt Revenue page 2 of filing 2025 revenue instructions. I have operated continuously without unreasonable interruptions of service and have submitted and maintained all filings as required.

Vassor Transportation Inc intends to resume intrastate operations. All filings have otherwise been maintained as required. I trust that I will be notified before any further action is taken and that I will be contacted if additional information is needed. I appreciate your prompt attention to this matter.
