Re: Request for Renaissance Power & Gas, Inc. to Reduce its EGS Bonding/Security Requirements

Dear Secretary,

Pursuant to the Pennsylvania Public Utility Commission's Final Order adopted July 24, 2014 and the Guidance Letter from the Secretary issued April 8, 2016, Renaissance Power & Gas, Inc. ("Renaissance") hereby respectfully requests to reduce its level of bonding/security from 10% to 5%. Renaissance is an EGS in good standing, licensed effective April 4, 2024 in Docket A-2023-3043466.

At the time of its application, Renaissance has not yet posted the required security in the form of a bond pursuant to 52 Pa. Code § 54.40(c), and maintains this security as mandated by 52 Pa. Code § 54.40(d); Renaissance began serving customers in the Commonwealth of Pennsylvania in September of 2024. Renaissance has never previously filed a Bond Reduction Petition, and now respectfully petitions for a reduction of its bonding requirements for 2026-2027.

On July 24, 2014, the PUC issued a Final Order at Docket M-2013-2393141, *Public Utility Commission Bonding/Security Requirements for Electric Generation Suppliers; Acceptable Security Instruments*, announcing new policies to accept a request by an EGS after the first year of operation to 5% of an EGS's most recent 12 months of revenue or \$250,000, whichever is higher, and expand the forms of allowable security instruments consistent with the Final Order. Renaissance, as an EGS in its second year of operation in the Commonwealth of Pennsylvania, meets the criteria set forth by the PUC for requesting a reduction in its level of bonding/security. Renaissance seeks to reduce its security to 5% of its most recent twelve (12) months of revenue, will submit a security instrument meeting the criteria set forth in 52 Pa. Code § 54.40(f), continue to maintain compliance with ongoing reporting requirements (See 52 Pa. Code § 54.39), and submits the following additional materials in support of this request:

- A. Attachment A is Renaissance's gross receipts for the sale of electricity for the most recent twelve (12) months with 5% calculations;
- B. Attachment B is a recent Statement of Account for Renaissance from the Pennsylvania Department of Revenue;
- C. Attachment C is Renaissance's most recent Department of Revenue REV-423 Specialty Tax Estimated Payment Form;
- D. Attachment D is an email demonstrating that Renaissance is in compliance with the PA AEPS Program
- E. Attachment E is a Certificate of Service;
- F. Attachment F is Renaissance's contact information; and
- G. Attachment G is the original bond, letter of credit, rider, amendment, or other financial instrument equal to 5% of Renaissance's gross receipts.

Renaissance respectfully requests confidentiality for the gross revenue/receipts included in this request. These figures represent sensitive operational information for Renaissance. Such information, if it were to become publically available, could harm the competitive and commercial operations of Renaissance by providing competitors with access to Renaissance's recent operating information providing direct insight into market position, size, and other closely held proprietary business information. These documents are submitted marked "confidential."

Please contact the undersigned with any questions or concerns regarding this submission.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Lia Mussie". The signature is fluid and cursive, with a large initial "L" and a long, sweeping tail.
