RE: Bond Rider  
MidAmerican Energy Services LLC  
A-2015-2496354

Dear Sir/Madam:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of MidAmerican Energy Services LLC because it is not acceptable.

EGS Suppliers cannot reduce the bond amount without providing the proper documentation for review. If you wish to reduce the security level based on 10% of the 4 most recent gross receipt reports, you must file the request for a reduction at least 30-days prior to the company's financial security expiration/anniversary date. You must provide the latest Statement of Account from the Department of Revenue showing a zero GRT balance and latest Proof of Estimated GRT prepayment, correspondence from the Commission's AEPS Administrator demonstrating compliance, and proof that demonstrates that the company is up to date on all Commission fees.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.
