Re: Application of Everstream Solutions LLC for Approval of the Discontinuance of
Competitive Access Services, Docket No. A-2025-3053757

Dear Ms. Chiavetta,

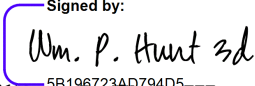

Everstream Solutions LLC (“Everstream”) submits this progress report for its application to discontinue competitive access services within the Commonwealth of Pennsylvania.

Everstream filed its initial application on March 5, 2025. After Zito Media Communications and T-Mobile USA, Inc. withdrew their initial protests, the assigned administrative law judges designated Everstream’s Application as unopposed and requested that the matter be reassigned to the Commission’s Bureau of Technical Utility Services.¹

Everstream is making excellent progress migrating the last wholesale customers off its network. The company expects to cease operations and discontinue service by its target date of June 30, 2026.

Please contact me if you required additional information at bhunt@everstream.net or 303.588.2268.

Sincerely,

Signed by:
