RE: Amended Letter to Maintain Our PUC # A-00114824, Docket No. M-2026-3061024
Utility Code 703040

To Whom It May Concern,

After talking to Amy Zurich from your office on May 15th, she brought a lot of clarity to the cancellation letter that we received. She agreed, I should follow up with a 2nd letter to explain our situation.

I am writing to formally request the retention of our existing PA PUC Number A-00114824.

We are currently transitioning our business operations to include Haul-for hire services. We wish to keep our current number to maintain continuity in our safety records and compliance history, while updating our operating authority to reflect this new capability.

We just purchased 2 tri-axle dump trucks with the plan to use them for Haul -for -hire, which will require us to have our PUC #. It wouldn't be cost effective or time efficient to have us apply for a new PUC number if our current number is cancelled.

Sincerely,

Roger C. Peifer II
President
