****Note**** The Pennsylvania sales tax exemption is not a valid reason to seek PUC authority. To qualify, you must provide for-hire transportation services that fall under PUC jurisdiction. All revenue reported on your annual PUC Assessment Report (AR-XX-MC) is subject to audit. If every transportation service you provide is exempt from PUC oversight, you should not apply for PUC authority.

It is unlawful to claim or use sales tax-exempt status when you are not providing qualifying utility services. Individuals or entities that do so may face legal action and prosecution.

Your answers should be verified per 52 Pa Code § 1.36. Accordingly, you must provide the following statement with your responses:

I, Robert Palko, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. § 4904 (relating to unsworn falsification to authorities).

The blank should be filled in with the name of the appropriate company representative, and the signature of that representative should follow the statement.

Failure to comply with this request within 10 working days from the date of this letter will result in the denial of the application.
