Re: Annual Retail Electricity Choice Activity Report – License No. A-2025-3057437

Dear Secretary Homsher:

M-2026-3059581

Provision Power and Gas, LLC (Utility Code: 1128272) is licensed as an EGS in Pennsylvania but did not provide retail electric generation service to any Pennsylvania customer during calendar year 2025, had zero Pennsylvania retail customer accounts, and had zero Pennsylvania retail electric generation sales/MWh during that period.

Accordingly, Provision Power and Gas, LLC was not an "active EGS" for purposes of 52 Pa. Code §§ 54.201 to 54.203 and respectfully requests that this letter be accepted in lieu of an Annual Retail Electricity Choice Activity Report for the reporting period.

Please reach out if you have any questions or concerns.

Sincerely,  
Laura Alter
