Re: Pennsylvania Public Utility Commission, Bureau of Investigation
and Enforcement v. FirstEnergy Pennsylvania Electric Company,
Docket No. C-2026-3062493

Dear Parties:

On May 22, 2026, FirstEnergy Pennsylvania Electric Company (FE) filed a Letter Request for a 30-day extension until July 6, 2026, to file a response to Complainant's Formal Complaint. The original response is due June 3, 2026. In its Letter Request, FE avers that Complainant's claims are complex in nature and it is actively engaged in investigating Complainant's claims. FE further states that, although it is diligently working, it needs additional time to properly prepare a response to Complainant's claims. FE also indicated that Complainant does not object to the extension.

FE is granted an extension of time to file its responsive pleading to the above captioned Formal Complaint.

FE's Answer and any other responsive pleadings are due to be filed with the Commission by the close of business (4:30 p.m. EST) on July 6, 2026.

Very truly yours,
