TO ALL PARTIES OF RECORD

Application of Gigapower LLC for approval to alter the public crossing (DOT 517 810 Y) by the installation of an aerial fiber optic cable where Franklin Street crosses, at grade, one (1) track of Luzerne County Redevelopment Authority operated thereon by Luzerne & Susquehanna Railway, located in the City of Wilkes-Barre, Luzerne County.

To Whom It May Concern:

By application filed with the Commission on April 27, 2026, Gigapower LLC seeks Commission approval to alter the public crossing (DOT 517 810 Y) by the installation of an aerial fiber optic cable where Franklin Street (City Street) crosses, at grade, one (1) track of Luzerne County Redevelopment Authority operated thereon by Luzerne & Susquehanna Railway located in the City of Wilkes-Barre, Luzerne County.

Gigapower LLC will install an aerial fiber optic cable located within the joint right of way of Franklin Street and Luzerne County Redevelopment Authority to be attached to existing poles. The installation will provide a minimum vertical clearance of 23.5 feet above the top of rail to the proposed aerial fiber optic cable.

The Commission hereby establishes its jurisdictional limits at the subject crossing as the area within the confines of the railroad right-of-way and the highway right-of-way.

In its application, Gigapower LLC states that the proposed installation is necessary to provide the residents of the City of Wilkes-Barre with access to high quality fiber internet. Gigapower LLC will be directed to perform the necessary installation, provide for maintenance and protection of highway and pedestrian traffic during installation and accept future maintenance responsibility for the facilities, at its sole cost and expense. The cost of the project is anticipated to be approximately \$10,000.00.

All work is to be performed in accordance with the plans entitled: "PUBLIC UTILITIES COMMISSION RAILROAD PERMIT APPLICATION CROSSING NUMBER: 517810Y 760 S FRANKLIN ST WILKES-BARRE, PA LUZERNE COUNTY" consisting of nine (9) sheets submitted to the Commission with the application.

Corman Railroad Group (parent company of Luzerne & Susquehanna Railway Company), PPL, Verizon Pennsylvania Inc., North Penn Long Distance Corporation, Comcast, ION Holdco LLC, Teleport Communications America LLC, CTSI, LLC, Zito Media/Zito West Holding, LLC, and XO Communications, Inc. Gigapower LLC did not serve Luzerne County Redevelopment Authority, the City of Wilkes-Barre or Luzerne County with a copy of the application or plan. All parties in interest, including Luzerne County Redevelopment Authority, the City of Wilkes-Barre and Luzerne County, were queried by letter dated May 7, 2026, sent by electronic mail as to any objection to the subject application and plans. None of the parties have responded with any objection to the subject application or plans. Luzerne County Redevelopment Authority, the City of Wilkes-Barre and Luzerne County will be made a party to this proceeding.
