	:	
FIRSTENERGY PENNSYLVANIA ELECTRIC	:	
COMPANY	:	

**OBJECTIONS OF FIRSTENERGY PENNSYLVANIA ELECTRIC COMPANY TO  
COMPLAINANT’S LATE-FILED EXHIBIT 1**

FirstEnergy Pennsylvania Electric Company, Met-Ed Rate District, (Respondent, FE PA, or Company), by and through its attorneys, Reger Rizzo & Darnall LLP, pursuant to the Order issued by the Honorable Chad L. Allensworth, hereby submits its Objections to the Late-filed Proposed Exhibit No. 1 of Dawn R. Ford (Complainant). The Company avers and represents as follows:

1. The information on Complainant’s Exhibit 1 is not correct. The Complainant lists the consumption for March 2025 as 211 kWh. The 2025 meter exchange is reflected on the Bill, dated March 26, 2025, for the billing period February 20, 2025 through March 23, 2025. The total consumption for that billing period was 1,846 kWh (1,635 kWh recorded by removed Meter #5000501108 + 211 kWh recorded by installed Meter #5003984601), as reflected on the Respondent Exhibit 3.

2. The minimum and average for the month of March are not correct. The minimum consumption is 965 kWh, not 211 kWh as listed. The average is 1,729 kWh, not 1548 kWh as listed, as reflected on Respondent Exhibit 3.

**WHEREFORE**, Respondent, FirstEnergy Pennsylvania Electric Company, objects to the admission of Complainant Exhibit 1 since it does not accurately reflect the consumption billed to the Account of Dawn R. Ford, as reflected on Respondent Exhibit 3.

Respectfully submitted,

Date: June 1, 2026
