Docket No. ~~M-206-3061024~~

To Whom It May Concern:

I am writing to formally request that Ramsey Hauling will be allowed to retain the PUC number A-8918961. Initially we obtained the number due to various companies in which I had hoped to subcontract with (e.g., Hempt Brothers, Pennsy Supply) requiring the number to be able to form a contract.

It was my understanding to obtain this number to be able to work for various companies and was needed while transporting road construction materials with a triaxle. I was also then under the understanding that due to this my net revenue was zero due to being exempt.

For these reasons, I respectfully request that you consideration in allowing me to keep my existing PUC number. I would be happy to provide any further clarification needed to support this request as well as further clarification to assist with explanation of the Tentative Order and future submissions.

Thank you for your time and attention in this matter.

Sincerely,
Gary E. Ramsey Jr
