Re: Docket M-2026-3061024

PA PUC A-00119611

Mr. Homsher,

Please reconsider the cancelation of our authority. While the previous calendar years showed Zero gross revenues, we were operating as hired trucks hauling materials. As of 2025 we have gotten out of that line of work and back to landscape contractors. I had reported gross revenue for 2025, my filing was late because I was dealing with health issues.

Sincerely,

Thomas M Benscoter
