To whom it may concern: Docket No, M-2026-3061024,

Dear Sir/Madam.

This letter is in response to the notice received dated May 8, 2026, in reference to the cancellation of Certificates of Public Convenience for Common Carriers. Docket No, M-2026-3061024.

For the past three years (3) 2023,2024 and 2025, the company Wordu Enterprise LLC, has not generated any income/ has zero jurisdictional service. In 2023 after the company Wordu Enterprise LLC was approved and granted Certificate of Convenience, the company applied to ODP for its waiver's services as a Transportation provider. On May 4, 2024, the company was approved as a provider. All through the remainder of 2024 and 2025, the company did not get any referrals or have any clients with ODP waiver's services to be able to generate income.

2026 is a different year for the company, Wordu Enterprise LLC, as of date, the company has 2 referrals/contract with ODP, Providing Transportation service to two individuals, with this, the company is looking forward to file a report stating its gross operating revenue for the 2026 Calendar year.

On behalf of the company Wordu Enterprise LLC, I am using this medium to appeal to the Commission to please Re-instate the Certificate of Convenience, even without generating revenue all these years, the company has always maintained current Commercial insurance to enable it meet PUC requirement.

Thank you for your assistance in this matter.

Regards,

Sunday Ugi.
