RE: D. Steffey and Sons, Inc, PA PUC Number A-8926134, Docket Number M-2026-3061024

Dear Mr. Homsher

I am writing to request to maintain and continue to operate under the above referenced PA PUC number. Although the materials we haul are exempt for tax purposes. Having a state recognized operating authority is a positive asset for our company. It shows that we are a licensed, insured and compliant company meeting all state regulations like insurance coverage, drug and alcohol testing, and safety compliances just to name a few. Having a legal operating authority is what many brokers and quarries look for to in our line of work.

Thank you for the opportunity to address this and we look forward to continuing our safe legal operation under our PA PUC Number A-8926134.

Sincerely,

Justin R. Steffey, President
