RE: PUC # A8911653

M-2026-3061024

Sir:

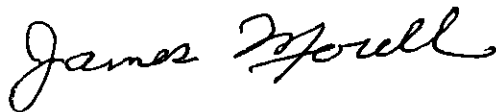

We respectfully request to keep our PUC# 8911653, which we have possessed for over 25 years. Many of our clients who request our service require us to provide both our DOT and PUC numbers.

The climate of the towing industry is evolving daily. This evolution could mean the necessity of us having our current valid PUC number if the need should arise.

Thank you for your attention concerning this important matter with a timely response.

Sincerely,

James Morell
President
