RE: Amended Letter of Credit
Six One Energy Corporation
A-2011-2250633

Dear Sir/Madam:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Six One Energy Corporation because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument has been rejected as it does not comply with the terms of the Letter of Credit. A Letter of Credit cannot be retroactively cancelled. The Surety Company may only cancel the Letter of Credit with an effective date of 1/29/27.

Please be advised that we now have a new Secretary of the Commission, Matthew L. Homsher, so please update the financial instruments to reflect his name instead of Rosemary Chiavetta.

Please file the **corrected, originally signed** with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.

Matthew L. Homsher
Secretary
