RE: Cancellation Of Certificates of Public Convenience For Common Carriers;
Failure to Report Positive Operating Revenue
Docket No. M-2026-3061024

Dear Secretary Homsher:

On or about May 11, 2026, Bunnell Waste Removal (Bunnell) filed comments to the Public Utility Commission's (PUC's) Tentative Order in the above captioned matter. Bunnell, having learned more about the PUC's guidance in the intervening May 8, 2026 Secretarial Order, seeks to provide this supplemental support while incorporating its May 11, 2026, comments.

The PUC granted Bunnell a Certificate of Public Convenience (CPC) on or about June 24, 2002, and Bunnell has carried forth operations as a motor carrier, property, excluding household goods in use, between points in Pennsylvania. During the years in questions, 2023 and 2024, Bunnell filed timely assessment reports. The operations provided by Bunnell at the time periods were limited to waste, excavation and road constructions materials that were exempt from assessment by the PUC.

Respectfully, we request the PUC not to revoke our CPC when Bunnell has been following Pennsylvania law.

Sincerely,

Bunnell Waste Removal
