CITIZENS' ELECTRIC COMPANY
RESPONSE TO TUS DATA REQUESTS 'SET 4'

June 3, 2026

M-8 Identify the total number of customers within your service area that would have been required to operate on backup generation resources if PJM had required EDCs to direct the deployment of customer-owned backup generation facilities in accordance with the DOE Order.

Response:

Citizens' Electric has zero customers within its service area that would have been required to operate on backup generation resources if PJM had required EDCs to direct the deployment of customer-owned backup generation facilities in accordance with the DOE Order.

M-9 Assuming that PJM had required EDCs to direct the deployment of customer-owned backup generation facilities in accordance with the DOE Order, provide responses to the following:

- a. Quantify the total reduction in load, in megawatts, achievable within your service area; and**
- b. Without identifying specific customers, quantify the reduction in load achievable**

Response:

a. 0 MW

b. 0 MW
