INTERIM ORDER
REOPENING RECORD AND DIRECTING POST-HEARING
CONFERENCE BE SCHEDULED

An evidentiary hearing was held on February 23, 2026, and the hearing record was closed orally on the record. Tr. 82.

The Transcript and exhibits were filed on March 3, 2026.

Upon review of the transcript and exhibits in the preparation of my Initial Decision in this matter, I noticed multiple documents were filed as “confidential.” I have concerns regarding whether some of these designations are appropriate, and unfortunately, the transcript is unclear as to whether the public or confidential versions were admitted into the record. Therefore, it is necessary to convene a post-hearing conference to discuss the designation of the admitted exhibits.

THEREFORE,

IT IS ORDERED:

1. That the record in this matter is reopened.

2. That a post-hearing conference be scheduled to address the designation of the admitted exhibits.

Date: June 4, 2026
