Draft: Customer Pre-Rebrand Letter

Dear Customer,

We are writing to let you know that, effective June 29, 2026, New Wave Energy, LLC (New Wave) will change its name to NextEra Energy Services, LLC (NextEra Energy Services). This change reflects our continued integration into the NextEra Energy family of companies following our acquisition by NextEra Energy last year and our ongoing focus on enhancing customer experience.

What does this mean for you?

While our name is changing, rest assured that our commitment to delivering exceptional service remains unchanged. We want to emphasize that this change will not affect your current natural gas and/or power service, your contract term, price, or terms and conditions of service. You will continue to receive the same high-quality service and support you have come to expect from us.

Our phone numbers and office locations will remain the same. Please note that future communications, starting June 29, 2026, will come from NextEra Energy Services. Our customer service email address will also change to NES-Support@nexteraenergy.com at that time.

If you have any questions regarding your account, including pricing and renewals, please send an email to Support@nwaveenergy.com.

We thank you for your trust and look forward to serving you for years to come.

Sincerely,
