Re: Duquesne Light Company Request for Exclusion of Major Outage for Reliability Reporting Purposes at Docket No. M-2026-3062162

Secretary Matthew Homsher:

Enclosed please find an amended Request for Exclusion of Major Outage for Reliability Reporting Purposes for the storm event that occurred in Duquesne Light Company's (Duquesne or the Company) service territory on Friday, March 13, 2026, pursuant to the requirements established by Commission Order at Docket No. M-00991220. This is an amended filing to correct the total number of mutual aid workers assigned to repair work in response to this event.

Should you require additional information, please contact me at (412) 393-8324.

Sincerely,

A handwritten signature in blue ink that reads "Wesley Terek". The signature is written in a cursive, flowing style.

Wesley Terek, P.E.
General Manager, System Planning & Protection

cc: Dan Searfoorce

Derek Ruhl
John Van Zant
Clint McKinley

- (b) Number of troubled locations in each geographic area affected listed by county and local political subdivision:

Allegheny County had a total of 1,300 troubled locations and 628 outages while Beaver County had a total of 253 troubled locations and 225 outages for a combined total of 1,553 troubled locations and 853 outages in Duquesne Light's service territory.

Please see the listing of troubled locations by county/municipality in section (f) of this report.

- (c) Reason for interruption or outage, including weather data where applicable.

At approximately 1400 on Friday, March 13, 2026, Duquesne Light's service territory was affected by severely high winds that persisted into Saturday, March 14, 2026. This weather caused downed power lines, fallen trees, and damage to our poles and equipment. The National Weather Service (NWS) reported that the highest wind speed during this storm was 45 mph and the highest wind gust was 66 mph.

Additional weather information is included at the end of this report.

- (d) The number of utility workers and others assigned specifically to the repair work:

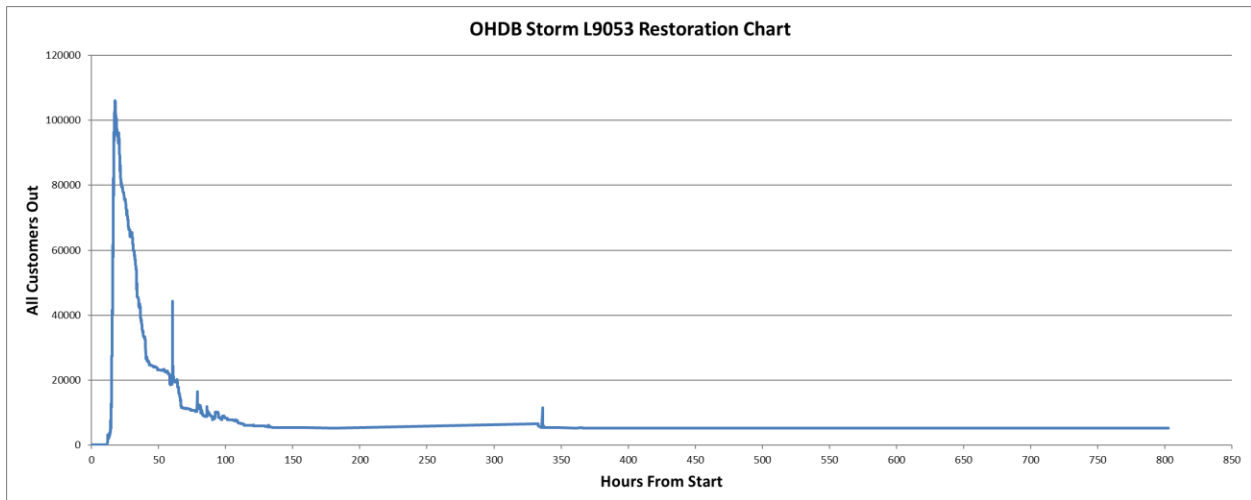

Utility / Company	# of Workers	General Function
Duquesne Light	243	Lineworkers
Duquesne Light	55	Troubleshooters
Duquesne Light	53	Substations
Duquesne Light	75	Underground
DLC	11	Vegetation Management / Tree Crews
Cut Above	42	
Nelson	56	
Penn Line	52	
Wright	61	
Henkels & McCoy	42	Lineworker Contractors
JW Didado	8	
PAR	15	
Sargent	58	
WA Chester	22	
GMB	154	Mutual Assistance
Northline Compass	157	
Vision	33	

(i) The date and time of the first information of a service interruption:

Friday, March 13, 2026 at 1356hours.

(e) The actual time that service was restored to the last affected customer:

Friday, March 20, 2026 at 1530 hours.

Storm restoration updates were provided to our customers and the media through our Duquesne Light website, Facebook and on X. Weather information and photos are attached.

Please also see Duquesne’s Electric Utility Report of Outage, dated April 24, 2026, for more information regarding this outage event.
