**UGI Utilities, Inc. – Gas Division**  
Response to Data Request of  
Bureau of Technical Utility Services  
**ELECTRIC LOAD FORECAST ACCOUNTABILITY Data Requests Set 4**  
Docket No. M-2025-3058814  
Delivered on June 4, 2026

TUS-M-8. Identify the total number of customers within your service area that would have been required to operate on backup generation resources if PJM had required EDCs to direct the deployment of customer-owned backup generation facilities in accordance with the DOE Order.

**Response:**

No customers in UGI's service territory would have been required to operate backup generation resources.
