**RE: Docket Number M-2026-3060761  
Supplemental Notification of the Transfer of One (1) Residential  
Customer from Columbia Gas of Pennsylvania, Inc. to Peoples  
Natural Gas Company, LLC**

Dear Secretary Homsher:

Columbia Gas of Pennsylvania, Inc. (“Columbia”) files this letter to supplement its February 17, 2026 notification of the transfer of one (1) residential natural gas customer to Peoples Natural Gas Company, LLC (“Peoples”) in accordance with the Order and Certificate of Public Convenience and Necessity issued by the Pennsylvania Public Utility Commission on July 12, 1977 at CN 7703/0567.

Columbia submits that the customer located at 435 Georgetown Road, Darlington, PA 16115, was transferred to Peoples on June 2, 2026, due to the “elimination of duplication of facilities.” Columbia first notified the customer of the proposal to transfer their gas service to Peoples’ facilities on January 14, 2026 and the customer did not object to the transfer. Peoples received the February 17, 2026 notification and Counsel for Peoples is also included on this supplemental notification.

Should you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

Conor D. Farley
