Pennsylvania Public Utility Commission  
Commonwealth Keystone Building  
400 North Street  
Harrisburg, Pennsylvania 17120

**Re: PECO Energy Company – Electric Load Forecast Accountability Docket No. M-2025-3058814**

Dear Secretary, Homsher:

Enclosed is PECO's response to the Commission's May 21, 2026, Secretarial Letter in the above-referenced docket as requested by the Bureau of Technical Utility Services.

Because the report contains sensitive and proprietary information, PECO is filing two versions of the report, one public and one proprietary. PECO requests that the proprietary report, which has been separated and clearly marked with a "Confidential" header on each page, be kept confidential. The confidential report is being submitted to the Secretary's SharePoint for official filing.

Please do not disclose the Confidential and Proprietary information contained in the responses, which are being provided in response to a PUC investigation. The responses contain information that is exempt from disclosure under 66 Pa. C.S. § 335(d) of the Pennsylvania Public Utility Code and 65 Pa. C.S. § 67.708 of Pennsylvania's Right to Know Law. By providing this information, PECO expressly does not waive any rights it has with respect to Privilege or Confidentiality.

Thank you for your assistance in this matter and please direct any questions regarding the above to Sulma Dalessio, Director, Energy Acquisition 267-533-1958 or via email: [Sulma.Dalessio@exeloncorp.com](mailto:Sulma.Dalessio@exeloncorp.com).

Sincerely,

Enclosure

C. McKinley, Bureau of Technical Utility Services (email only)  
D. Gill, Bureau of Technical Utility Services (email only)

PECO Energy Company

TUS Data Request Set 4  
Electric Load Forecast Accountability  
Docket No. M-2025-3058814

Response of PECO Energy Company  
Response Date: June 5, 2026

**M8 – Identify the total number of customers within your service area that would have been required to operate on backup generation resources if PJM had required EDCs to direct the deployment of customer-owned backup generation facilities in accordance with the DOE Order.**

**Response:**

**This response contains confidential and proprietary information of PECO Energy Company and is submitted to the Pennsylvania Public Utility Commission subject to the confidentiality protections afforded under applicable law and Commission regulations**

PECO Energy Company

TUS Data Request Set 4  
Electric Load Forecast Accountability  
Docket No. M-2025-3058814

Response of PECO Energy Company  
Response Date: June 5, 2026

**M9 – Assuming that PJM had required EDCs to direct the deployment of customer-owned backup generation facilities in accordance with the DOE Order, provide responses to the following:**

- a. Quantify the reduction in load, in megawatts, achievable within your service area; and**
- b. Without identifying specific customers, quantify the reduction in load achievable per individual applicable customer, in megawatts, within your service area.**

**Response:**

**These responses contain confidential and proprietary information of PECO Energy Company and is submitted to the Pennsylvania Public Utility Commission subject to the confidentiality protections afforded under applicable law and Commission regulations**

**VERIFICATION**

I, **Brendan J. Taylor**, hereby state that I am Vice President of Regulatory Policy and Strategy for PECO Energy Company, that I am authorized to and do make this Verification on its behalf, that the facts set forth in the foregoing response are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. §4904 pertaining to false statements to authorities.
