Request for Information

The territory you chose “from between points in the City and County of Philadelphia” on your first application (certificated under A-2025-3059331) limits your pickup and drop off points to just the City and County of Philadelphia. Please know that you have the option to pick up passengers in the City and County of Philadelphia and drop them off at any other point in Pennsylvania.

Your request for additional territory of “**between points in**” Delaware County also limits your pickup and drop-off to points in just Delaware County meaning that limits you to not dropping them off anywhere other than Delaware County.

Please read the instructions attached to this data request and either confirm or change your territory request to me.

Failure to provide answers to all of the questions is sufficient grounds for the denial of your application so please get assistance or you may hire an attorney to aid you in the application process.
