**Re: Interconnection and Tariffs for Large Load Customers
M-2025-3054271**

Dear Secretary Homsher:

Enclosed for filing, please find Environmental Defense Fund's Letter concerning the Energy Association of Pennsylvania's (EAP) Petition for Reconsideration dated May 27, 2026 (Reconsideration Petition) in the above-captioned proceeding.

On May 12, 2026, the Commission issued its Final Order in this proceeding. On May 27, 2026, EAP filed the Reconsideration Petition concerning the Final Order. Pursuant to 52 Pa. Code § 5.572(e), Answers to the Reconsideration Petition would ordinarily be due on June 8, 2026. On June 1, 2026, pursuant to 52 Pa. Code § 1.82, EAP filed a Petition for Leave to Withdraw its Reconsideration Petition (Withdrawal Petition). The Commission has not acted on the Withdrawal Petition to date. On June 4, 2026, the Commission entered a tolling order granting EAP's Reconsideration Petition pending the Commission's review, consideration, and disposition of the merits of the Reconsideration Petition.

In light of EAP's Withdrawal Petition, EDF is not filing an Answer to its Reconsideration Petition at this time. EDF does not object to the Withdrawal Petition. If the Commission does not grant the Withdrawal Petition, EDF respectfully requests that the Commission establish a new due date for Answers to the Reconsideration Petition, which EDF believes is without merit.

Copies of this letter have been served as indicated in the enclosed Certificate of Service. Please feel free to contact me with any questions regarding this filing.

Respectfully Submitted,

A handwritten signature in blue ink, appearing to read "Michael Zimmerman", written in a cursive style.
