**JOINT APPLICATION FOR APPROVAL OF A GENERAL
RULE TRANSACTION INVOLVING A TRANSFER OF CONTROL
PURSUANT TO 52 PA. CODE § 63.324**

Greenlight Parent, L.P. (“Transferor” or “Greenlight Parent”) with its wholly owned subsidiaries Greenlight Networks PA, LLC (“GLN-PA”), Loop Broadband LLC (“Loop Broadband”) and FastBridge Fiber, LLC (“FastBridge” and together with GLN-PA and Loop Broadband, the “Licensees”), and Go Holdco I, LLC (“Transferee” or “Go HoldCo” and collectively with Greenlight Parent and Licensees, “Applicants”) respectfully request any required approvals to transfer control of Licensees from Greenlight Parent to Go HoldCo. This Joint Application is submitted pursuant to 66 Pa. C.S. § 1102(a), the Pennsylvania Public Utility Commission’s (“Commission”) Policy Statement on parent-level mergers at 52 Pa. Code § 69.901, and the regulations at 52 Pa. Code §§ 63.321-63.325. Given that the transaction will result in a transfer of more than 20 percent of the direct or indirect control of Licensees, this Joint Application is made under the General Rule provisions of 52 Pa. Code § 63.324. The Applicants request expeditious approval of this parent-level transaction, which will benefit the public. In support, the Applicants state as follows:

I. INTRODUCTION

1. Applicants request approval of a proposed parent-level transaction (the “Transaction”) whereby Go HoldCo will acquire indirect ownership and control of Licensees from Greenlight Parent. Post-Transaction, Go HoldCo will be a joint venture 50/50 controlled and co-managed by T-Mobile USA, Inc. (“T-Mobile”)—through its subsidiary TMUS Go JV Holdings LLC (“TMUS Go JV”)—and Oak Hill Capital Management, LLC (“Oak Hill”), which indirectly controls Greenlight Parent and its subsidiaries today.

2. Under 66 Pa. C.S. § 1103(a), the Commission “shall” approve the proposed transfer of control of Licensees if it finds that the transaction “is necessary or proper for the service, accommodation, convenience, or safety of the public,” which occurs when the Commission finds, based on substantial evidence, that the transaction will result in an affirmative public benefit based on a weighing of net effects including any impact on competition.¹ The Transaction will result in affirmative public benefit in numerous material respects, while not adversely impacting competition. For these reasons, and for the reasons set forth below, the Transaction is in the public interest and the Commission should expeditiously approve it.

3. Applicants respectfully request that the Commission review this Joint Application as a General Rule Transaction and grant approval within sixty days after the expiration of the protest period, pursuant to 52 Pa. Code § 63.324(k).

II. DESCRIPTION OF THE APPLICANTS

A. Transferor – Greenlight Parent L.P. (“Greenlight Parent”)

4. Greenlight Parent is a Delaware limited partnership with principal offices located at c/o Oak Hill Capital Partners, One Stamford Plaza, 263 Tresser Boulevard, 15th Floor, Stamford, CT 06901. Through its operating subsidiaries (collectively referred to as “Greenlight Networks”), Greenlight Networks is engaged in the business of designing, building, and operating a fiber to the premises communications network providing high-speed broadband services to residential and commercial business customers in multiple states, including Pennsylvania.

5. Greenlight Parent currently is directly owned by Greenlight Aggregator, L.P. (“Greenlight Aggregator”), a Delaware limited partnership (approximately 55.5%), and OHCP Digital Opportunities Greenlight Aggregator (“OHCP Greenlight Aggregator”), a Delaware limited partnership (approximately 27.8%).² Greenlight Parent, Greenlight Aggregator, and OHCP Greenlight Aggregator are primarily owned and controlled by funds and entities associated with Oak Hill, which is a private equity fund based in New York, Connecticut, and California.

B. Licensees

1. Greenlight Networks PA, LLC (“GLN-PA”)

6. GLN-PA, a wholly owned indirect subsidiary of Greenlight Parent, is a Delaware limited liability company with principal offices located at 1777 E. Henrietta Road, Suite 120, Rochester, NY 14623. GLN-PA is authorized to provide Competitive Access Services in Pennsylvania

² Upon consummation of the FastBridge Transaction described below, Greenlight Parent will be owned by Greenlight Aggregator (approximately 45.7%), OHCP Greenlight Aggregator (approximately 22.9%), and NE Fiber Holdco, LLC (approximately 17.7%).

pursuant to a Certificate of Public Convenience (“CPC”) issued in Docket No. A-2023-3043448 on February 19, 2025.

2. **Loop Broadband LLC (“Loop Broadband”)**

7. Loop Broadband, a wholly owned indirect subsidiary of Greenlight Parent, is a Delaware limited liability company with a principal office located at 1777 E. Henrietta Road, Suite 120, Rochester, NY 14623. Loop Broadband is authorized to provide Competitive Access Services in Pennsylvania pursuant to a CPC granted in Docket No. A-2025-3056051 on October 16, 2025.

3. **FastBridge Fiber, LLC (“FastBridge”)**

8. FastBridge is a Delaware limited liability company with a principal office currently located at 1050 Spring Street, Unit 2, Wyomissing, PA 19610. FastBridge offers high speed, fiber optic internet service to residential and business customers in 12 Pennsylvania communities. FastBridge is authorized to provide Competitive Access Services in Pennsylvania pursuant to a CPC issued in Docket No. A-2022-3032614 on January 30, 2023. The Commission approved the indirect transfer of control of FastBridge to Greenlight Parent in Docket No. A-2025-3058311 on April 10, 2026 (the “FastBridge Transaction”). Upon consummation of the FastBridge Transaction, FastBridge will become a wholly owned indirect subsidiary of Greenlight Parent.³

9. The pre-Transaction ownership structure of Greenlight Parent and Licensees is included herewith as **Exhibit A**.

³ Although the FastBridge Transaction has not yet been completed, the Transaction that is the subject of this Joint Application is not expected to close until after the consummation of the FastBridge Transaction.

C. Transferee – Go Holdco I, LLC (“Go HoldCo”)

10. Go HoldCo is a Delaware limited liability company that upon closing of the Transaction will be 50/50 controlled and co-managed by T-Mobile and Oak Hill. Following the closing, the board of directors of Go HoldCo will consist of two directors appointed by T-Mobile, two directors appointed by Oak Hill, and one independent director. The independent director will be designated by Oak Hill, upon consultation with, and the prior written consent (not to be unreasonably withheld, conditioned, or delayed) of T-Mobile. T-Mobile will hold 50 percent of Go HoldCo’s voting membership interests and combined voting and non-voting membership interests, with Future Fiber Parent, L.P. (“Fiber Parent”) holding approximately 27 percent of the combined voting and non-voting membership interests, and Greenlight Parent holding approximately 23 percent of the combined voting and non-voting membership interests, both of which are controlled by Oak Hill.

11. Led by a management team with decades of collective experience in the telecommunications industry, T-Mobile is headquartered in Bellevue, Washington, and offers nationwide wireless voice, data, and fixed wireless broadband services to over 142.4 million subscribers.⁴ In 2025, T-Mobile had total revenues of over \$88.3 billion.⁵

III. DESCRIPTION OF THE TRANSACTION

12. Pursuant to a Transaction Agreement, dated as of April 25, 2026, by and among Greenlight Parent, Greenlight Holdco, Inc. (a Delaware corporation and a wholly owned direct subsidiary of

Greenlight Parent), TMUS Go JV, Go HoldCo, and Oak Hill, Go HoldCo will become a joint venture 50/50 controlled and co-managed by T-Mobile and Oak Hill. Thus, as a result of the Transaction, Licensees will become wholly owned indirect subsidiaries of Go HoldCo, which will be jointly owned and controlled by Oak Hill and T-Mobile.

13. The Transaction includes two primary steps. First, Fiber Parent and Greenlight Parent will form Go HoldCo and liquidate and assign certain of their assets to the newly created entity. Second, T-Mobile, through its wholly owned subsidiary TMUS Go JV, will invest in Go HoldCo, acquiring a 50 percent ownership stake and establishing the joint venture with Oak Hill.

14. A post-Transaction ownership diagram is included herewith as **Exhibit A**.

V. PUBLIC INTEREST CONSIDERATIONS

16. The Applicants respectfully submit that the Transaction will serve the public interest. As an initial matter, Go HoldCo is managerially, technically, and financially well-qualified to complete the Transaction and assume indirect ownership and control of Licensees. Given that post-Transaction ownership of Go HoldCo is structured as a joint venture between Oak Hill and TMUS Go JV, Licensees will continue to benefit from the knowledge and experience of its existing managers and operators, supplemented by the additional managerial, technical, and financial capabilities of T-Mobile. The Transaction will strengthen the financial position of Licensees by

providing access to capital from new funding sources—better positioning Licensees to meet the needs of customers and compete for new ones.

17. The Transaction will not eliminate any telecommunications service provider and therefore does not pose any threat of anticompetitive effects in connection with any telecommunications service. While T-Mobile is a new investor in the venture, T-Mobile does not provide the wireline services offered by Licensees in Licensees' service areas. Nor will the Transaction involve a transfer of any telecommunications service network facilities.

18. The Transaction will serve to increase competition. Licensees will be stronger, better-financed market participants that are positioned to continue making high-quality communications services available to consumers in Licensees' service areas. The Transaction will bring T-Mobile's retail, marketing, brand and customer experience strength together with Oak Hill's fiber infrastructure investment expertise. As the need for reliable, low-latency connectivity rapidly increases, the Transaction will facilitate the deployment of improved and expanded services and facilities to meet that ever-growing demand.

19. The Transaction is in the best interests of Pennsylvania consumers. By combining T-Mobile's retail expertise, brand strength, and customer experience capabilities with Oak Hill's proven fiber infrastructure investment track record, the Transaction will produce a stronger, better-capitalized competitor in the Licensees' Pennsylvania service territories. Pennsylvania consumers will benefit from the increased competitive intensity this combination brings to the market, with improved service options and greater incentives for all providers in the region to invest and improve. The Transaction will position Licensees to better serve their existing customers while expanding their services and facilities to additional consumers in the region.

VI. OTHER INFORMATION REQUIRED BY 52 PA. CODE § 63.324

20. Section 63.324(d)(1) – Information of Each Party or Applicant to the Transaction: *See* Sections II and IV, *supra*.
21. Section 63.324(d)(2) – State Where Applicants are Organized: *See* Section II, *supra*.
22. Section 63.324(d)(3) – Designated Contact Information: *See* Section IV, *supra*.
23. Section 63.324(d)(4) – Information of Each Entity Owning More than Twenty Percent Equity in Applicant: For information regarding the corporate ownership of Licensees, including the entities that will directly or indirectly own twenty percent or more of the equity in Licensees, please see **Exhibit B**.
24. Section 63.324(d)(5) – Summary of Transaction: *See* Sections I and III, *supra*.
25. Section 63.324(d)(6) – Impact on Services and Service Territories Affected: There will be no adverse change to any regulated telecommunications services made available by Licensees or the service territories of Licensees as a result of the Transaction. The Applicants will be financially capable of fulfilling all of their requirements to provide telecommunications service in Pennsylvania. These capabilities will not be negatively affected by the change in control of Licensees.
26. Section 63.324(d)(7) – General Rule Categorization: Applicants verify that the Transaction qualifies as a General Rule Transaction because it will result in a greater than twenty percent change in the indirect ownership of Licensees. The Transaction will result in Licensees becoming indirect subsidiaries of Go HoldCo.
27. Section 63.324(d)(8) – Identification of Other Transactions: The Transaction has been described above in Section III under the heading “Description of the Transaction.” A separate

abbreviated securities certificate will be submitted to the Commission regarding Licensees' participation in a financing arrangement.

28. Section 63.324(d)(9) – No Special Consideration Warranted: Applicants verify that no party to the Transaction is facing imminent business failure; therefore, no special consideration is warranted.

29. Section 63.324(d)(10) – Identification of Separately Filed Waiver Requests: No separately filed waiver requests are being sought in conjunction with the Transaction.

30. Section 63.324(d)(11)(i)-(iii) – Facts Supporting the Public Interest and Competition: Applicants verify that the Transaction will affirmatively benefit the service, accommodation, and convenience of the public in a substantial way. *See City of York v. Pa. Pub. Util. Comm'n*, 449 Pa. 136, 151, 295 A.2d 825, 828 (1972). This standard is satisfied by a preponderance of the evidence of benefits, and such burden can be met by showing a likelihood or probability of public benefits that need not be quantified or guaranteed. *See Popowsky v. Pa. Pub. Util. Comm'n*, 594 Pa. 583, 611, 937 A.2d 1040, 1057 (2007); *Lawrence v. Pa. PUC*, 348 A.3d 108 (Pa. 2025). Approval of the Transaction is necessary and proper for the service, accommodation, convenience, or safety of the public under 66 Pa. C.S. § 1103(a). As detailed above in Section V, the Transaction will strengthen the Licensees' financial position, service, and network capabilities while not resulting in a diminution of competition. The Transaction will serve to enhance competition by enabling expanded, better-financed network deployment, and the transition is expected to be seamless for customers, with no adverse impact on rates, terms, or operations. The Commission should therefore issue a Certificate of Public Convenience pursuant to Section 1103.

31. Section 63.324(d)(12)(i)-(ii) – Compliance: To their knowledge, Applicants verify that (a) they are in compliance with all Commission-imposed obligations under the Public Utility Code and the Commission’s regulations, (b) they have not been found to have violated either State or Federal requirements for the provision of telecommunications services over the last three years, and (c) they have not been alleged by any State or Federal regulatory agency to have materially violated either State or Federal requirements for the provision of telecommunications services over the last three years.

32. Section 63.324(d)(13) – Customer Notice: Applicants verify that no customer notice is needed at this time, as the Transaction does not involve a change in carrier and does not require changes to the rates, terms, conditions, or service offered by Licensees to telecommunications consumers in Pennsylvania. Notice under Pa. Code § 63.324(g) is not required in such circumstances.

33. Section 63.324(d)(14) – Utility Certificates: Included herein as **Exhibit C** are the utility certificates for Licensees. *See* Section II, *supra*.

34. Section 63.324(d)(15) – Tariffs: Applicants verify that the Transaction will have no effect on Licensees’ tariffs. Tariffed rates will remain unchanged unless and until a revised tariff is submitted to and approved by the Commission.

35. Section 63.324(d)(16) – Affiliate Interest Agreements: Applicants verify that the Transaction will have no effect on Licensees’ existing affiliated interest agreements, if any.

36. Section 63.324(d)(17) – Federal and State Investigations: Approval of the Transaction is required in New Jersey and New York. There are no federal applications required in connection

with the Transaction. Applicants are required to make a U.S. Department of Justice (“DOJ”) notice filing under the Hart-Scott-Rodino Act (“HSR”) for the Transaction.

37. Section 63.324(d)(18) – Organizational Charts: Diagrams depicting the pre- and post-Transaction corporate organizational structures are included herewith as **Exhibit A**.

38. Section 63.324(d)(19) – FCC Applications and DOJ review: There are no federal applications required in connection with the Transaction. As noted above, Applicants are required to make an HSR notice filing with the U.S. DOJ.

39. Section 63.324(d)(20) – Effect on Capital Structure: Applicants verify that the expected public effect of the Transaction on their capital structure will be positive over the next five years, as set forth in more detail in Sections I and V above.

40. Section 63.324(d)(21) – Broadband Deployment Commitment: Licensees verify that they are not subject to a Federal or State broadband deployment commitment in Pennsylvania.

41. Section 63.324(d)(22) – Eligible Telecommunications Carrier Status: Licensees verify that they do not have eligible telecommunications carrier status in Pennsylvania under federal or state law.

42. Section 63.324(d)(23) – Cross-Subsidization Prohibition: Applicants verify that the Transaction complies with the prohibition against cross-subsidization imposed under federal and state law.

VII. RELIEF REQUESTED

43. For the foregoing reasons, Applicants submit that the public interest, convenience, and necessity would be furthered by the grant of this Joint Application and respectfully request that the Commission grant expeditious approval of the Transaction as set forth here, including any

necessary certificate or certificates of public convenience and approvals under the Public Utility Code and regulations thereunder.

Respectfully submitted,
