A-2024-3047200

TO ALL PARTIES OF RECORD

Application of Southwest Pennsylvania Railroad Company for approval of substitution of warning devices at the public crossing (DOT 145 326 T) where Cinder Road crosses, at grade, one track of Southwest Pennsylvania Railroad Company (SWP), located in South Union Township, Fayette County.

To Whom It May Concern:

By Secretarial Letter dated May 17, 2024, the Commission directed the alteration of the public crossing (DOT 145 326 T), allocation of costs, and assignment of future maintenance responsibilities at the subject crossing.

A final inspection conducted by a Commission staff engineer on May 11, 2026, revealed that not all physical work had been completed as per the Commission's Secretarial Letter approving the subject application.

On June 3, 2026, a Commission staff engineer contacted South Union Township advising them of the liability and public safety issues associated with the installation of stop lines and Grade Crossing Advance Warning (W10-1) signs on both highway approaches to the public crossing.

South Union Township is hereby advised to complete the installation of the missing stop lines and Grade Crossing Advance Warning (W10-1) signs on both highway approaches to the crossing in accordance with Numbered Paragraph 9 of the Commission's Secretarial Letter dated May 17, 2024.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that since Southwest Pennsylvania Railroad Company has satisfactorily completed its work, and South Union Township has been sufficiently advised and notified of the necessity to install the missing signs and stop lines and of their future maintenance obligations, the record in this proceeding can be "CLOSED."

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

All formal documents must be filed with the Secretary of the Commission. Documents must be eFiled, mailed or hand delivered. All filings should be addressed to the Secretary, PA Public Utility Commission, 400 North Street, Harrisburg, PA 17120. The Commission will not accept documents delivered by fax or by e-mail.
