RE: Electric Generation Supplier License Application

Dear Mr. Kocuipchyk:

On April 28, 2026, the Pennsylvania Public Utility Commission (Commission) received Wholesale Energy Corp's incomplete Application for an Electric Generation Supplier (EGS) license.

Sections 1.b, 2.b, and 11.a of the Application were incomplete or not properly completed (ex. #1.b building number of the address was not listed and #2.b applicant failed to include its articles of incorporation and list its officers' names and addresses). In order for the Commission to accept the Application for review, these deficiencies must be corrected. Failure to respond timely will result in the Application being deemed rejected¹ and the docket will be closed.

Please use the Commission's efilng system or an overnight delivery service to submit the requested information to the Secretary of the Commission **within 20 days** from the date of this letter. Please submit revised Application pages for each section. The Commission accepts all public documents through our efilng system and strongly recommends companies open an efilng account through the Commission's website at <https://efiling.puc.pa.gov>. Use of the efilng system will ensure that submissions by the company are received timely and receipt can be verified.

The overnight address for hard-copy responses is:

Matthew L. Homsher, Secretary
Pennsylvania Public Utility Commission

¹ See Pa. Code 52 § 54.32(e)

Please note that all documents requiring notary stamps must have original signatures.
