Request for Information

- 1.) Question number 10 of the application asks what commodities you intend to transport. Your response was “*farm products, logs*”. Please explain in detail how you are NOT exempt from PUC authority. (PUC exemption list is attached for your review)

The Pennsylvania sales tax exemption is not a valid reason to seek PUC authority. To qualify, you must actually provide **for-hire transportation** services that fall under PUC jurisdiction. All revenue reported on your annual PUC Assessment Report (AR-XX-MC) is subject to audit. If every transportation service you provide is exempt from PUC oversight, you should not apply for PUC authority.

It is unlawful to claim or use sales tax–exempt status when you are not providing qualifying utility services. Individuals or entities that do so may face legal action and prosecution.
