The OCA has filed three sets of discovery to date and anticipates additional discovery will be required. As soon as the OCA has completed its review of the Company's filing and interrogatory responses, it is expected that informal discovery meetings may be scheduled. At those meetings, the OCA will be able to narrow the scope of additional information requests. After the discovery process has completed, the OCA will file its Direct Testimony, which will set forth the specific issues to be addressed in this proceeding. At that time, the OCA will also be able to make and to quantify specific recommendations.

II. ISSUES AND SUB-ISSUES

Based upon a preliminary analysis of UGI's filing, the OCA has compiled a list of issues that it anticipates will be included in its investigation of the Company's proposed rate changes. It is anticipated that the OCA will identify additional issues upon further review of UGI's filing, and that other issues may arise and may be pursued after the answers to all of the OCA's interrogatories have been received and analyzed.

The following sets forth a more specific identification of the issues that the OCA will investigate and may raise, in addition to those discussed above:

- (1) Reasonableness and prudence of historic purchased gas costs, and assessment of compliance with Commission Orders in prior 1307(f) cases;
- (2) Reasonableness and accuracy of estimating gas costs during the interim and prospective periods;
- (3) Reasonableness and prudence of the Company's gas supply mix, including purchases of Pennsylvania-sourced gas supplies;
- (4) Technical issues pertaining to the gas cost recovery mechanism, including computation of quarterly adjustments to purchased gas costs, treatment of supplier refunds,

provision of carrying costs associated with gas in storage, interest on gas over-collections, and proper computation of the E-Factor;

(5) Reasonableness and prudence of the Company's mix of demand entitlements and storage, to include an assessment of the reasonableness of the Company's estimate of design day requirements;

(6) Reasonableness and prudence of contracts with pipelines and suppliers, and in particular, long-term contracts that provide for special reservation charges, minimum take commitments or other fixed contract requirements;

(7) Reasonableness of the Company's allocation of purchased gas costs between customer classes and assessment of any unreasonable discrimination between customer classes;

(8) Reasonableness and prudence of the Company's use of capacity release, off-system sales and interruptible sales, and the crediting of such revenue to PGC ratepayers;

(9) Assessment of the value of any purchased gas cost incentive mechanism as components of a least cost fuel procurement policy;

(10) Reasonableness of the sales volumes projections; and,

(11) Reasonableness of the Company's compliance with the terms contained in the Settlement of UGI's 2025 1307(f) proceeding, docketed at R-2025-3054938.

The OCA will examine each of these and all other changes proposed in the Company's filing to ascertain whether it complies with the terms and policies of the Public Utility Code, the Natural Gas Choice and Competition Act, and sound ratemaking and cost allocation principles.

III. WITNESSES

The OCA intends to present the Direct, Rebuttal, and Surrebuttal Testimony, as may be necessary, of Jerome D. Mierzwa in this proceeding. To expedite the resolution of this proceeding, the OCA requests that copies of all interrogatories, testimony and answers to interrogatories be e-mailed directly to OCA's counsel and Mr. Mierzwa at the following e-mail address: OCA1307External@paoca.org.

Mr. Mierzwa's additional contact information is as follows:

Jerome D. Mierzwa
Exeter Associates, Inc.
10480 Little Patuxent Parkway
Suite 300
Columbia, MD 21044

The OCA specifically reserves the right to call additional witnesses, as necessary. As soon as the OCA has determined whether an additional witness or witnesses will be necessary for any portion of its case, the Administrative Law Judges and all parties of record will be notified.

IV. SERVICE ON THE OCA

The OCA will be represented in this case by Senior Assistant Consumer Advocate Harrison W. Breitman and Assistant Consumer Advocate Olivia M. Spergel. The OCA only requires e-service at the following e-mail address:

Harrison W. Breitman
Olivia M. Spergel
Office of Consumer Advocate
555 Walnut Street
5th Floor, Forum Place
E-mail: OCA1307External@paoca.org

The OCA reserves the right to request paper copies if necessary. The OCA asks that the electronic service to the parties and ALJs Arnold and Nause meet all service requirements so that paper copies are not required.

V. PUBLIC INPUT HEARINGS

At this time, the OCA is not aware of any Formal Complaints, aside from the OCA, or letters in opposition to the Company's filing. If the OCA becomes aware of substantial public interest in a public input hearing, the OCA will promptly notify the ALJs and the parties and request that a public input hearing be scheduled.

VI. DISCOVERY

The OCA has issued three sets of interrogatories in this proceeding under the existing Commission regulatory timeframe. In order to effectively investigate and adequately develop a record on these issues, the OCA requests the following discovery modifications be approved for discovery from the date of this Prehearing Conference forward:

- A. Answers to written interrogatories and requests for document production, entry for inspection, or other purposes shall be served in-hand within ten (10) calendar days of service.
- B. - C. Motions to dismiss objections and/or direct the answering of interrogatories and/or requests for production shall be filed within five (5) business days of service of written objections.
- D. Answers to motions to dismiss objections and/or answering of interrogatories and/or requests for production shall be filed within three (3) business days of service of such motions.

After rebuttal is served, the OCA proposes that the deadlines should be reduced as follows:

- A. Answers to interrogatories and responses to requests for document production, entry for inspection, or other purposes shall be served within five (5) calendar days of service of the interrogatories or requests for production.
- B. Objections to interrogatories and/or requests for production shall be communicated orally to the propounding party within two (2) calendar days of service; unresolved objections shall be served on the propounding party in writing within three (3) calendar days of service of the interrogatories and/or requests for production.

F. Discovery requests and discovery related pleadings (such as objections, motions, and answers to same) served after 4:30 p.m. Monday through Thursday or after 1:30 p.m. on a Friday or the day preceding a holiday shall be deemed to have been served on the next business day.

The OCA requests that the dates included in the schedule be considered “in-hand” dates and that electronic service on the due date will satisfy the “in-hand” requirement.
